

(B) the staff skills and training needed for timely and effective accomplishment of each goal.

(c) SUBMISSION WITH THE PRESIDENT'S BUDGET.—Beginning with fiscal year 2011 and each fiscal year thereafter, the Secretary shall submit to Congress the strategy and annual plan not later than 60 days following the transmission of the President's budget submission under section 1105 of title 31.

(d) ACHIEVEMENT OF GOALS.—

(1) PROGRESS ASSESSMENT.—No less frequently than semiannually, the Coast Guard Commandant shall assess the progress of the Coast Guard toward achieving the goals set forth in subsection (b). The Commandant shall convey the Commandant's assessment to the employees of the marine safety workforce and shall identify any deficiencies that should be remedied before the next progress assessment.

(2) REPORT TO CONGRESS.—The Secretary shall report annually to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate—

(A) on the performance of the marine safety program in achieving the goals of the marine safety strategy and annual plan under subsection (a) for the year covered by the report;

(B) on the program's mission performance in achieving numerical measurable goals established under subsection (b); and

(C) recommendations on how to improve performance of the program.

REFERENCES IN TEXT

Section 93(c), referred to in subsec. (b)(1)(D), probably means section 93(c) of Title 14, Coast Guard, which relates to marine safety responsibilities of the Commandant of the Coast Guard.

§ 2117. Termination for unsafe operation

An individual authorized to enforce this title—

(1) may remove a certificate required by this title from a vessel that is operating in a condition that does not comply with the provisions of the certificate;

(2) may order the individual in charge of a vessel that is operating that does not have on board the certificate required by this title to return the vessel to a mooring and to remain there until the vessel is in compliance with this title; and

(3) may direct the individual in charge of a vessel to which this title applies to immediately take reasonable steps necessary for the safety of individuals on board the vessel if the official observes the vessel being operated in an unsafe condition that the official believes creates an especially hazardous condition, including ordering the individual in charge to return the vessel to a mooring and to remain there until the situation creating the hazard is corrected or ended.

§ 2118. Establishment of equipment standards

(a) In establishing standards for approved equipment required on vessels subject to part B of this title,¹ the Secretary shall establish standards that are—

- (1) based on performance using the best available technology that is economically achievable; and
- (2) operationally practical.

(b) Using the standards established under subsection (a), the Secretary may also certify life-saving equipment that is not required to be carried on vessels subject to part B of this title² to ensure that such equipment is suitable for its intended purpose.

(c) At least once every 10 years the Secretary shall review and revise the standards established under subsection (a) to ensure that the standards meet the requirements of this section.
