HISTORICAL AND REVISION NOTES

Section 101 of H.R. 3105, as amended, adds a new chapter 125 to title 46, United States Code, to establish a vessel identification system for all vessels of the United States. This would include vessels documented under chapter 121 of title 46, numbered under chapter 123 of that title, or titled under the law of a State. This new chapter consists of new sections 12501-12507 as follows.

§ 12501. Establishment of a vessel identification system

(a) The Secretary of Transportation shall establish a vessel identification system to make available information under section 12503 of this title for use by the public for law enforcement and other purposes relating to—

(1) the ownership of documented vessels;

(2) the ownership of vessels numbered under chapter 123 of this title; and

(3) the ownership of vessels titled under the law of a State.

(b) The vessel identification system shall include information prescribed by the Secretary including—

(1) identifying a vessel;

(2) identifying the owner of the vessel, including—

(A) the owner’s social security number or, if that number is not available, other means of identification acceptable to the Secretary; or

(B) for an owner other than an individual—

(3) identifying the State in which it is titled or numbered;

(4) indicating whether the vessel is numbered or titled, or both;

(5) if titled in a State, indicating where evidence of a lien or other security interest may be found against the vessel in that State; and

(6) information assisting law enforcement officials.

(c) The Secretary may maintain information under this chapter in connection with any other information system maintained by the Secretary.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4735; amended Pub. L. 101-225, title III, §302(1), Dec. 12, 1989, 103 Stat. 1922; Pub. L. 101-595, title VI, §603(10), Nov. 16, 1990, 104 Stat. 2993.)

HISTORICAL AND REVISION NOTES

Revised section 12501

Subsection (a) of section 12501 requires the Secretary of Transportation to establish a system of information concerning vessels of the United States for law enforcement and other purposes. The Secretary is required to make available information from the system relating to the ownership of vessels documented under chapter 121 of title 46, numbered under chapter 123 of that title, and titled under the law of a State. The information is available under section 12503 for use by the public, similarly under the Ship Mortgage Act, 1920.

Subsection (b) lists the vessel identification information which is required to be maintained by the Secretary. The Secretary has the authority to prescribe other information to be maintained in addition to the items listed. For example, the Secretary may identify vessels issued fisheries permits by the Department of Commerce. The Secretary may also monitor transactions involving vessels that require approval by the Secretary under section 9 of the Shipping Act, 1916 (46 App. U.S.C. 808) before interest or control in the vessel may be transferred to a noncitizen.

Subsection (c) clarifies that the Secretary has the flexibility to maintain this system in connection with any other information system maintained by the Secretary, including the Federal Aviation Administration system containing aircraft ownership information. This would also permit the Secretary to combine various systems and data bases maintained by the Secretary such as documentation and numbering of vessels, and safety, casualty, and law enforcement statistics.
