HISTORICAL AND REVISION NOTES

*Revised section 12502*

Subsection (a) of this section requires the Secretary to maintain a unique numbering system for vessels of the United States. The Secretary may use existing vessel numbering systems such as the hull identification number for this purpose, but must ensure that no two existing vessels of the United States have the same number. The Secretary should consider and propose the use of a 17-digit number to implement this requirement. This subsection also requires the Secretary to maintain a system of signal letters and to record vessel names for documented vessels. The Secretary is authorized to establish other vessel identification markings for vessels of the United States, such as hailing ports.

Subsections (b), (c), (d), and (e) contain other requirements and restrictions concerning vessel identification markings.

This section consolidates the requirements of sections 12114, 12115, 12116, and 12118 of title 46. For this reason, section 106 of this bill repeals those sections.

VESSELS NOT HAVING UNIQUE NUMBER; APPLICABILITY  
OF PROVISIONS FOR NUMBER ASSIGNMENT

Pub. L. 100-710, title I, §104(f), Nov. 23, 1988, 102 Stat. 4751, provided that: "Section 12502(a)(1) of title 46, United States Code (as enacted by section 101 of this Act), applies to a vessel of the United States that does not have a unique number as prescribed by the Secretary of Transportation under that section until the earlier of the following:

"(1) the next time the vessel is documented, numbered, or titled.

"(2) January 1, 1995."

**§ 12503. Information available to the system**

(a) Except as provided in subsections (b) and (c) of this section, a State or a State's delegate approved by the Secretary of Transportation may make information available to the Secretary if, in a manner and form prescribed by the Secretary, the State—

(1) identifies the vessel;

(2) identifies the owner of the vessel, including by—

(A) the owner's social security number or, if that number is not available, other means of identification acceptable to the Secretary; or

(B) for an owner other than an individual—

(i) the owner's taxpayer identification number; or

(ii) if the owner does not have a taxpayer identification number, the social security number of an individual who is a corporate officer, general partner, or individual trustee of the owner and who signed the application for documentation or numbering for the vessel;

(3) identifies the State in which it is titled or numbered;

(4) indicates whether the vessel is numbered or titled, or both;

(5) if titled in a State, indicates where evidence of a lien or other security interest may be found against the vessel in that State;

(6) includes information to assist law enforcement; and

(7) includes other information agreed to by the Secretary and the State.

(b) Except as provided in subsection (c) of this section, the Secretary also may accept informa-

tion under conditions and in a manner and form prescribed by the Secretary.

(c) The Secretary shall—

(1) retain information on a vessel with a preferred mortgage under section 31322(d) of this title that is no longer titled in a State making information available to the Secretary under this chapter until the mortgage is discharged or the vessel is sold; and

(2) accept information under section 31321(h) of this title only if that information cannot be provided to a State.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4736; amended Pub. L. 101-225, title III, §302(2), Dec. 12, 1989, 103 Stat. 1922; Pub. L. 101-595, title VI, §603(10), Nov. 16, 1990, 104 Stat. 2993; Pub. L. 109-304, §15(24), Oct. 6, 2006, 120 Stat. 1704.)

#### HISTORICAL AND REVISION NOTES

##### *Revised section 12503*

Subsection (a) of section 12503 allows a State or approved State delegee to make vessel identification information available to the Secretary. Participation in the system is voluntary on the part of a State. A benefit to boat purchasers and financiers in States with approved titling systems participating in this system is that vessel mortgages or financing instruments made in those States are deemed to be preferred mortgages under chapter 313 of title 46, United States Code (as codified and enacted by this Act).

Under subsection (a), the Secretary may prescribe the manner and form in which the information is made available by the States. In this regard, the Committee intends that the Secretary employ the most efficient, up-to-date computer technology in maintaining information made available from the States to avoid duplication of effort in maintaining information and to reduce the costs of the system. In addition to the vessel identification information made available by States under paragraphs (1)–(6), the Secretary and a State may agree that the State make available other information. For example, the purpose for which a vessel is routinely used would be valuable information for the system.

The Committee intends that most of the information in the system will become available directly and exclusively from the States to the greatest extent possible. However, under subsection (b), the Secretary may accept information from others under conditions and in a manner and form prescribed by the Secretary. Thus, if the Secretary discovers a valuable and reliable source of data that can be conveniently made available to the system, the Secretary can approve it.

Under paragraph (c)(1), the Secretary must maintain information on a State-titled vessel with a preferred mortgage that moves to a nonparticipating, nontitle State, until the mortgage is discharged or the vessel is sold. Under paragraph (c)(2), the Secretary must accept information submitted under section 31321 of title 46 (as enacted by this Act) concerning a discharge of a preferred mortgage on a vessel title under State law. This would be necessary if the vessel moves to a nonparticipating State, and information on that vessel would not be provided to the system by that State. This subsection will allow the Secretary to keep the vessel information system current on these matters and purge files no longer required to be maintained.

#### AMENDMENTS

2006—Subsec. (a). Pub. L. 109-304 substituted “delegated” for “delegee” in introductory provisions.

1990—Subsec. (a)(2)(A). Pub. L. 101-595 amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: “the owner’s social security number; or”.

1989—Subsec. (a)(2). Pub. L. 101-225 amended par. (2) generally, adding subpars. (A) and (B).

#### § 12504. Information available from the system

For law enforcement or other purposes and under conditions prescribed by the Secretary of Transportation, the Secretary—

(1) shall make available information in the vessel identification system to a State making information available under section 12503(a) of this title; and

(2) may make available information in the vessel identification system to others.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4736; amended Pub. L. 101-225, title III, §302(3), Dec. 12, 1989, 103 Stat. 1923.)

#### HISTORICAL AND REVISION NOTES

##### *Revised section 12504*

This section requires that the Secretary make available information maintained in the vessel identification system to a State participating in the system for law enforcement or other purposes. The Secretary may make available information in the system to others, under conditions the Secretary may prescribe. At first, the Secretary may elect to deal only with the States. However, the Committee firmly expects that information will be made available through computer terminals in satellite offices or direct computer access by modem. In this manner, boating organizations or financial or documentation services could retrieve data without paper transactions for a fee.

#### AMENDMENTS

1989—Pub. L. 101-225 substituted “Secretary of Transportation, the Secretary” for “Secretary, the Secretary of Transportation”.

#### § 12505. Fees

(a) The Secretary of Transportation may charge a fee under section 9701 of title 31 for providing information to or requesting information from the vessel identification system, except to—

(1) an agency; or

(2) a State making information available to the Secretary under section 12503(a) of this title.

(b) The Secretary shall deposit amounts transferred or collected under this section in the general fund of the Treasury as proprietary receipts of the Secretary and ascribed to the vessel identification system.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4737; amended Pub. L. 101-595, title VI, §603(11), Nov. 16, 1990, 104 Stat. 2993.)

#### HISTORICAL AND REVISION NOTES

##### *Revised section 12505*

This section contains the authority for the Secretary to charge a fee under the user charge law, 31 U.S.C. 9701, for providing information to or requesting information from the vessel identification system. Fees may not be charged under this subsection to an agency or a State that is participating in the vessel identification system maintained by the Secretary.

Under subsection (b) of this section, the Secretary may collect an annual fee of not more than \$1.00 from the owner of a vessel of the United States under 31 U.S.C. 9701 for the vessel identification system. Since vessel owners will benefit from the vessel identification system, such as from documentation of ownership data
