

In subsection (b)(2), the words “section 412(d) of the Agricultural Trade Development and Assistance Act of 1954 (7 U.S.C. 1736f(d))” are substituted for “section 1733(b) of title 7” because the latter provision, as amended in 1990, no longer contains provisions on valuation of commodities shipped from the inventory of the Commodity Credit Corporation, and a provision substantially the same as former 7 U.S.C. 1733(b) is now at 7 U.S.C. 1736f(e).

In subsection (c)(1), the words “considering the current average market yield on outstanding marketable obligations of the United States Government of comparable maturities during the month before the obligations are issued” are substituted for “taking into consideration the average market yield on outstanding marketable obligations of the United States with remaining periods of maturity comparable to the average maturities of such obligations during the month preceding the issuance of such obligations of the Secretary of Transportation” to eliminate unnecessary words.

In subsection (c)(2), the words “after December 23, 1985” are omitted as obsolete.

In subsection (e)(1), the words “commencing with the fiscal year beginning October 1, 1986” are omitted as obsolete.

In subsection (f), the words “Notwithstanding the provisions of this section” are omitted as unnecessary.

This subchapter terminates 90 days after the date on which a notification is made under section 55316(f) of this title, except for shipments of agricultural commodities and their products subject to contracts made before the end of that 90-day period, unless within that 90-day period the Secretary of Transportation proclaims that funds are available to finance increased freight charges resulting from the requirements of section 55316(b) of this title. On the termination of this subchapter under this section—
