§ 80104. Salvaging operations by foreign vessels

(a) PROHIBITION.—Except as provided in this section or section 80105 of this title, a foreign vessel may not, under penalty of forfeiture, engage in salvaging operations on the Atlantic or Pacific coast of the United States, in any portion of the Great Lakes or their connecting or tributary waters, including any portion of the Saint Lawrence River through which the international boundary line extends, or in territorial waters of the United States on the Gulf of Mexico.

In subsection (a), the words "authorized by a treaty" are omitted because they are restated in subsection (c).
