## CODIFICATION

The source of most sections of this chapter is the Revised Statutes enacted in 1873 and other early statutes. The Revised Statutes can no longer apply to contiguous territory because no such territory now exists. As to noncontiguous territory, Guam, Puerto Rico, and the Virgin Islands each has its own organic act, providing a complete system of government, legislative, executive, and judicial. The Canal Zone has its own code of laws. The independence of the Philippine Islands was recognized by Proc. No. 2695, eff. July 4, 1946, set out as a note under section 1394 of Title 22, Foreign Relations and Intercourse. The other possessions, such as Samoa, are covered by special provisions set out elsewhere in this title.

(a) submit annually to the President a report containing recommendations regarding the establishment or implementation of policies concerning the Insular Areas; and

(b) provide to the President, from time to time, as appropriate, recommendations concerning proposed or existing Federal programs and policies affecting the Insular Areas.

SEC. 4. *General Provisions.*

(a) The heads of executive departments and agencies shall assist and provide information to the IGIA, consistent with applicable law, as may be necessary to carry out the functions of the IGIA. Each executive department and agency shall bear its own expenses of participating in the IGIA.

(b) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to an executive department, agency, or the head thereof, or the status of that department or agency within the Federal Government; or

(ii) functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(c) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(d) This order shall supersede Executive Order 13299 of May 8, 2003.

BARACK OBAMA.
