§ 20134. Grade crossings and railroad rights of way

(a) GENERAL.—To the extent practicable, the Secretary of Transportation shall maintain a

coordinated effort to develop and carry out solutions to the railroad grade crossing problem and measures to protect pedestrians in densely populated areas along railroad rights of way. To carry out this subsection, the Secretary may use the authority of the Secretary under this chapter and over highway, traffic, and motor vehicle safety and over highway construction. The Secretary may purchase items of nominal value and distribute them to the public without charge as part of an educational or awareness program to accomplish the purposes of this section and of any other sections of this title related to improving the safety of highway-rail crossings and to preventing trespass on railroad rights of way, and the Secretary shall prescribe guidelines for the administration of this authority.

In subsection (a), the words “In addition” are omitted as surplus. The word “maintain” is substituted for “undertake” for clarity because the effort has begun. The words “the objective of” are omitted as surplus. The words “To carry out this section, the Secretary may use” are added for clarity.
