§ 24404. Use of capital grants to finance first-dollar liability of grant project

Notwithstanding the requirements of section 24402 of this chapter, the Secretary of Transportation may approve the use of a capital assistance grant under this chapter to fund self-insured retention of risk for the first tier of liability insurance coverage for rail passenger service associated with the grant, but the coverage may not exceed \$20,000,000 per occurrence or \$20,000,000 in aggregate per year.

(Added Pub. L. 110-432, div. B, title III, §301(a), Oct. 16, 2008, 122 Stat. 4942.)

§ 24405. Grant conditions

(a) BUY AMERICA.—(1) The Secretary of Transportation may obligate an amount that may be appropriated to carry out this chapter for a project only if the steel, iron, and manufactured goods used in the project are produced in the United States.

(2) The Secretary of Transportation may waive paragraph (1) of this subsection if the Secretary finds that—

(A) applying paragraph (1) would be inconsistent with the public interest;

(B) the steel, iron, and goods produced in the United States are not produced in a sufficient and reasonably available amount or are not of a satisfactory quality;

(C) rolling stock or power train equipment cannot be bought and delivered in the United States within a reasonable time; or

(D) including domestic material will increase the cost of the overall project by more than 25 percent.

(3) For purposes of this subsection, in calculating the components' costs, labor costs involved in final assembly shall not be included in the calculation.

(4) If the Secretary determines that it is necessary to waive the application of paragraph (1) based on a finding under paragraph (2), the Secretary shall, before the date on which such finding takes effect—

(A) publish in the Federal Register a detailed written justification as to why the waiver is needed; and

(B) provide notice of such finding and an opportunity for public comment on such finding for a reasonable period of time not to exceed 15 days.

(5) Not later than December 31, 2012, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on any waivers granted under paragraph (2).

(6) The Secretary of Transportation may not make a waiver under paragraph (2) of this subsection for goods produced in a foreign country if the Secretary, in consultation with the United States Trade Representative, decides that the government of that foreign country—

(A) has an agreement with the United States Government under which the Secretary has waived the requirement of this subsection; and

(B) has violated the agreement by discriminating against goods to which this subsection applies that are produced in the United States and to which the agreement applies.

(7) A person is ineligible to receive a contract or subcontract made with amounts authorized under this chapter if a court or department, agency, or instrumentality of the Government decides the person intentionally—

(A) affixed a “Made in America” label, or a label with an inscription having the same meaning, to goods sold in or shipped to the United States that are used in a project to which this subsection applies but not produced in the United States; or

(B) represented that goods described in subparagraph (A) of this paragraph were produced in the United States.

(8) The Secretary may not impose any limitation on assistance provided under this chapter that restricts a State from imposing more stringent requirements than this subsection on the use of articles, materials, and supplies mined, produced, or manufactured in foreign countries in projects carried out with that assistance or restricts a recipient of that assistance from complying with those State-imposed requirements.

(9) The Secretary may allow a manufacturer or supplier of steel, iron, or manufactured goods to correct after bid opening any certification of noncompliance or failure to properly complete the certification (but not including failure to sign the certification) under this subsection if such manufacturer or supplier attests under penalty of perjury that such manufacturer or supplier submitted an incorrect certification as a result of an inadvertent or clerical error. The burden of establishing inadvertent or clerical error is on the manufacturer or supplier.

(10) A party adversely affected by an agency action under this subsection shall have the right to seek review under section 702 of title 5.

(11) The requirements of this subsection shall only apply to projects for which the costs exceed \$100,000.

(b) OPERATORS DEEMED RAIL CARRIERS AND EMPLOYERS FOR CERTAIN PURPOSES.—A person that conducts rail operations over rail infrastructure constructed or improved with funding provided in whole or in part in a grant made under this chapter shall be considered a rail carrier as defined in section 10102(5) of this title for purposes of this title and any other statute that adopts
