

4 (a). The authority delegated to the Director of the Office of Defense Transportation by paragraph 1 hereof shall be exercised by him with respect to allocation of transportation facilities and equipment.

(b). The powers, authority, and discretion conferred on the President by section 4(a) of the joint resolution [section 1914(a) of this Appendix] with respect to the use of transportation equipment and facilities by rail carriers are hereby included within the powers, authority, and discretion delegated to the Director of the Office of Defense Transportation under Executive Order No. 8989 of December 18, 1941 (6 F.R. 6725), as amended by Executive Order No. 9389 of October 18, 1943 (8 F.R. 14183), Executive Order No. 9156 of May 2, 1942 (7 F.R. 3349), Executive Order No. 9214 of August 5, 1942 (7 F.R. 6097), and Executive Order No. 9729 of May 23, 1946 (11 F.R. 5641). The said Executive orders are amended accordingly.

5. The authority delegated to the Secretary of Commerce by paragraph 1 hereof shall be exercised by him with respect to priority, allocation, and inventory control of scarce commodities which basically affect the cost of living or industrial production, other than fuels as provided in paragraph 2, agricultural commodities as provided in paragraph 3, and transportation facilities and equipment as provided in paragraph 4.

6. The Secretary of Agriculture is hereby authorized to carry out a program for the conservation of food and feed and for that purpose to exercise the authority conferred upon the President by section 8 of the joint resolution [section 1918 of this Appendix].

7. The Secretary of Commerce is hereby authorized to continue exercising the powers, authority, and discretion conferred upon the President by section 6 of the act of July 2, 1940, 54 Stat. 714, as amended [section 701 of this Appendix]. Such powers, authority, and discretion, and the powers, authority, and discretion vested in the President by section 3 of the joint resolution [section 1913 of this Appendix] are hereby included within the delegation made to the Secretary of Commerce by Executive Order No. 9630 of September 27, 1945 (10 F.R. 12245), and the said Executive order is modified accordingly.

8. Each governmental officer or agency exercising authority delegated under this order shall, in exercising such authority, consult with other agencies or committees having special information or sources of such information about the supply of or demand for the materials, commodities, or facilities involved and with other agencies or committees having responsibilities related to such authority. Each agency shall establish such committees and other working groups as may be appropriate to consult with and obtain the advice of other agencies.

9. Nothing in this order shall be deemed to affect the powers, authority, or discretion delegated to the Secretary of Agriculture by Executive Order No. 9915 of December 30, 1947.

HARRY S TRUMAN.

§§ 1912 to 1915. Omitted

CODIFICATION

Section 1915, act Dec. 30, 1947, ch. 526, § 5, 61 Stat. 946, relating to delegation of President's authority under sections 701 and 1912 of this Appendix, expired with the expiration of those sections.

§ 1916. Critical shortages; recommendations by President; public hearings

(a) Whenever the President shall determine that there is or threatens to be a critical shortage of any raw material, commodity, or product which jeopardizes the health or safety of the people of the United States or its national security or welfare and that there is no prospect that such critical shortage may soon be remedied by an increase in the available supply without additional governmental action and that the situation cannot be solved by voluntary agreement under the provisions of this Act [sections 1911 to 1919 of this Appendix], he may prepare proposed measures for conserving such raw material, commodity, or product which he shall submit to the Congress in the following form:

(1) A statement of the circumstances which, in the President's judgment, require the proposed conservation measures.

(2) A detailed procedure for the administration of the proposed measures including the additional budget and additional personnel required for their enforcement.

(3) The proposed degree of curtailment in current and prospective use of each such raw material, commodity, or product by each processor and/or user thereof, including the specific formulae proposed for such curtailment with respect to each class or classes of processors or users and the criteria used in the establishment of such formulae.

(4) A complete record of the factual evidence upon which his recommendations are based, including all information provided by any agency of the Federal Government which may have been made available to him in the course of his consideration of the matter.

(b) Within fifteen days after the submission of such proposed conservation measures, the Joint Economic Committee shall conduct public hearings thereon and shall make such recommendations to the Congress for legislative action as in its judgment the recommendations of the President and any additional information disclosed at the public hearings may require.

(Dec. 30, 1947, ch. 526, § 6, 61 Stat. 947; June 18, 1956, ch. 399, § 2, 70 Stat. 290.)
