

shall report directly to the Chief of Naval Operations. The director shall have direct access to the Secretary of the Navy and other senior officials in the Department of the Navy concerning naval nuclear propulsion matters, and to all other Government personnel who supervise, operate, or maintain naval nuclear propulsion plants and support facilities.

SEC. 10. This Order is effective on February 1, 1982.

RONALD REAGAN.

§ 2512. Management structure for nuclear security enterprise

(a) In general

The Administrator shall establish a management structure for the nuclear security enterprise in accordance with the National Nuclear Security Administration Act (50 U.S.C. 2401 et seq.).

(b) National Nuclear Security Administration Council

(1) The Administrator shall establish a council to be known as the “National Nuclear Security Administration Council”. The Council may advise the Administrator on—

- (A) scientific and technical issues relating to policy matters;
- (B) operational concerns;
- (C) strategic planning;
- (D) the development of priorities relating to the mission and operations of the Administration and the nuclear security enterprise; and
- (E) such other matters as the Administrator determines appropriate.

(2) The Council shall be composed of the directors of the national security laboratories and the nuclear weapons production facilities.

(3) The Council may provide the Administrator or the Secretary of Energy recommendations for improving the—

- (A) governance, management, effectiveness, and efficiency of the Administration; and
- (B) any other matter in accordance with paragraph (1).

(4) Not later than 60 days after the date on which any recommendation under paragraph (3) is received, the Administrator or the Secretary, as the case may be, shall respond to the Council with respect to whether such recommendation will be implemented and the reasoning for implementing or not implementing such recommendation.
