

canine teams, the Secretary shall establish criteria, including canine training curricula, performance standards, and other requirements approved by the Transportation Security Administration necessary to ensure that explosives detection canine teams trained by nonprofit organizations, universities, and private sector entities are adequately trained and maintained.

(2) Expansion

In developing and implementing such curriculum, performance standards, and other requirements, the Secretary shall—

(A) coordinate with key stakeholders, including international, Federal, State, and local officials, and private sector and academic entities to develop best practice guidelines for such a standardized program, as appropriate;

(B) require that explosives detection canine teams trained by nonprofit organizations, universities, or private sector entities that are used or made available by the Secretary be trained consistent with specific training criteria developed by the Secretary; and

(C) review the status of the private sector programs on at least an annual basis to ensure compliance with training curricula, performance standards, and other requirements.

(d) Deployment

The Secretary shall—

(1) use the additional explosives detection canine teams as part of the Department's efforts to strengthen security across the Nation's transportation network, and may use the canine teams on a more limited basis to support other homeland security missions, as determined appropriate by the Secretary;

(2) make available explosives detection canine teams to all modes of transportation, for high-risk areas or to address specific threats, on an as-needed basis and as otherwise determined appropriate by the Secretary;

(3) encourage, but not require, any transportation facility or system to deploy TSA-certified explosives detection canine teams developed under this section; and

(4) consider specific needs and training requirements for explosives detection canine teams to be deployed across the Nation's transportation network, including in venues of multiple modes of transportation, as appropriate.

(e) Canine procurement

The Secretary, acting through the Administrator of the Transportation Security Administration, shall work to ensure that explosives detection canine teams are procured as efficiently as possible and at the best price, while maintaining the needed level of quality, including, if appropriate, through increased domestic breeding.

(f) Study

Not later than 1 year after August 3, 2007, the Comptroller General shall report to the appropriate congressional committees on the utiliza-

tion of explosives detection canine teams to strengthen security and the capacity of the national explosive detection canine team program.

(g) Authorization

There are authorized to be appropriated to the Secretary such sums as may be necessary to carry out this section for fiscal years 2007 through 2011.

SUBCHAPTER III—PUBLIC TRANSPORTATION SECURITY

§ 1131. Definitions

For purposes of this subchapter, the following terms apply:

(1) Appropriate congressional committees

The term “appropriate congressional committees” means the Committee on Banking, Housing, and Urban Affairs, and the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

(2) Department

The term “Department” means the Department of Homeland Security.

(3) Disadvantaged businesses concerns

The term “disadvantaged business concerns” means small businesses that are owned and controlled by socially and economically disadvantaged individuals as defined in section¹ 124, title 13, Code of Federal Regulations.

(4) Frontline employee

The term “frontline employee” means an employee of a public transportation agency who is a transit vehicle driver or operator, dispatcher, maintenance and maintenance support employee, station attendant, customer service employee, security employee, or transit police, or any other employee who has direct contact with riders on a regular basis, and any other employee of a public transportation agency that the Secretary determines should receive security training under section 1137 of this title.

(5) Public transportation agency

The term “public transportation agency” means a publicly owned operator of public transportation eligible to receive Federal assistance under chapter 53 of title 49.

(6) Secretary

The term “Secretary” means the Secretary of Homeland Security.

(Pub. L. 110–53, title XIV, §1402, Aug. 3, 2007, 121 Stat. 400.)

SHORT TITLE

For short title of this subchapter as the “National Transit Systems Security Act of 2007”, see section 1401 of Pub. L. 110–53, set out as a note under section 1101 of this title.

§ 1132. Findings

Congress finds that—

- (1) 182 public transportation systems throughout the world have been primary targets of terrorist attacks;
- (2) more than 6,000 public transportation agencies operate in the United States;
- (3) people use public transportation vehicles 33,000,000 times each day;

¹ So in original. Probably should be “part”.

(4) the Federal Transit Administration has invested \$93,800,000,000 since 1992 for construction and improvements;

(5) the Federal investment in transit security has been insufficient; and

(6) greater Federal investment in transit security improvements per passenger boarding is necessary to better protect the American people, given transit’s vital importance in creating mobility and promoting our Nation’s economy.

(Pub. L. 110–53, title XIV, §1403, Aug. 3, 2007, 121 Stat. 401.)

§ 1133. National Strategy for Public Transportation Security

(a) National Strategy

Not later than 9 months after August 3, 2007, and based upon the previous and ongoing security assessments conducted by the Department and the Department of Transportation, the Secretary, consistent with and as required by section 114(t)¹ of title 49, shall develop and implement the modal plan for public transportation, entitled the “National Strategy for Public Transportation Security”.

(b) Purpose

(1) Guidelines

In developing the National Strategy for Public Transportation Security, the Secretary shall establish guidelines for public transportation security that—

- (A) minimize security threats to public transportation systems; and
- (B) maximize the abilities of public transportation systems to mitigate damage resulting from terrorist attack or other major incident.

(2) Assessments and consultations

In developing the National Strategy for Public Transportation Security, the Secretary shall—

- (A) use established and ongoing public transportation security assessments as the basis of the National Strategy for Public Transportation Security; and
- (B) consult with all relevant stakeholders, including public transportation agencies, nonprofit labor organizations representing public transportation employees, emergency responders, public safety officials, and other relevant parties.

(c) Contents

In the National Strategy for Public Transportation Security, the Secretary shall describe prioritized goals, objectives, policies, actions, and schedules to improve the security of public transportation.

(d) Responsibilities

The Secretary shall include in the National Strategy for Public Transportation Security a description of the roles, responsibilities, and authorities of Federal, State, and local agencies, tribal governments, and appropriate stakeholders. The plan shall also include—
