(b) Repeal of tax on cotton futures

Subchapter D of chapter 39 of title 26 (relating to tax on cotton futures) is repealed.

(c) Definitions

For purposes of this section—

(1) Cotton futures contract

The term “cotton futures contract” means any contract of sale of cotton for future delivery made at, on, or in any exchange, board of trade, or similar institution or place of business which has been designated a “contract market” by the Commodity Futures Trading Commission pursuant to the Commodity Exchange Act [7 U.S.C. 1 et seq.] and the term “contract of sale” as so used shall be held to include sales, agreements of sale, and agreements to sell, except that any cotton futures contract that, by its terms, is settled in cash is excluded from the coverage of this paragraph and section.

(2) Future delivery

The term “future delivery” shall not include any cash sale of cotton for deferred shipment or delivery.

(3) Person

The term “person” includes an individual, trust, estate, partnership, association, company, or corporation.

(4) Secretary

The term “Secretary” means the Secretary of Agriculture of the United States.

(5) Standards

The term “standards” means the official cotton standards of the United States established by the Secretary pursuant to the United States Cotton Standards Act, as amended [7 U.S.C. 51 et seq.].

(d) Bona fide spot markets and commercial differences**(1) Definition**

For purposes of this section, the only markets which shall be considered bona fide spot markets shall be those which the Secretary shall, from time to time, after investigation, determine and designate to be such, and of which he shall give public notice.

(2) Determination

In determining, pursuant to the provisions of this section, what markets are bona fide spot markets, the Secretary is directed to consider only markets in which spot cotton is sold in such volume and under such conditions as customarily to reflect accurately the value of middling cotton and the differences between the prices or values of middling cotton and of

other grades of cotton for which standards shall have been established by the Secretary; except that if there are not sufficient places, in the markets of which are made bona fide sales of spot cotton of grades for which standards are established by the Secretary, to enable him to designate at least five spot markets in accordance with subsection (f)(3) of this section, he shall, from data as to spot sales collected by him, make rules and regulations for determining the actual commercial differences in the value of spot cotton of the grades established by him as reflected by bona fide sales of spot cotton, of the same or different grades, in the market selected and designated by him, from time to time, for that purpose, and in that event differences in value of cotton of various grades involved in contracts made pursuant to subsection (f)(1) and (2) of this section shall be determined in compliance with such rules and regulations. It shall be the duty of any person engaged in the business of dealing in cotton, when requested by the Secretary or any agent acting under his instructions, to answer correctly to the best of his knowledge, under oath or otherwise, all questions touching his knowledge of the number of bales, the classification, the price or bona fide price offered, and other terms of purchase or sale, of any cotton involved in any transaction participated in by him, or to produce all books, letters, papers, or documents in his possession or under his control relating to such matter. A person complying with the preceding sentence shall not be liable for any loss or damage arising or resulting from such compliance.

(3) Withholding information

Any person engaged in the business of dealing in cotton who shall, within a reasonable time prescribed by the Secretary or any agent acting under his instructions, willfully fail or refuse to answer questions or to produce books, letters, papers, or documents, as required under paragraph (2) of this subsection, or who shall willfully give any answer that is false or misleading, shall, upon conviction thereof, be fined not more than \$500.

(e) Form and validity of cotton futures contracts

Each cotton futures contract shall be a basis grade contract, or a tendered grade contract, or a specific grade contract as specified in subsections (f), (g), or (h) of this section and shall be in writing plainly stating, or evidenced by written memorandum showing, the terms of such contract, including the quantity of the cotton involved and the names and addresses of the seller and buyer in such contract, and shall be signed by the party to be charged, or by his agent in his behalf. No cotton futures contract which does not conform to such requirements shall be enforceable by, or on behalf of, any party to such contract or his privies.

(f) Basis grade contracts**(1) Conditions**

Each basis grade cotton futures contract shall comply with each of the following conditions:

(A) Conformity with regulations

Conform to the regulations made pursuant to this section.

(B) Specification of grade, price, and dates of sale and settlement

Specify the basis grade for the cotton involved in the contract, which shall be one of the grades for which standards are established by the Secretary, except grades prohibited from being delivered on a contract made under this subsection by subparagraph (E), the price per pound at which the cotton of such basis grade is contracted to be bought or sold, the date when the purchase or sale was made, and the month or months in which the contract is to be fulfilled or settled; except that middling shall be deemed the basis grade incorporated into the contract if no other basis grade be specified either in the contract or in the memorandum evidencing the same.

(C) Provision for delivery of standard grades only

Provide that the cotton dealt with therein or delivered thereunder shall be of or within the grades for which standards are established by the Secretary except grades prohibited from being delivered on a contract made under this subsection by subparagraph (E) and no other grade or grades.

(D) Provision for settlement on basis of actual commercial differences

Provide that in case cotton of grade other than the basis grade be tendered or delivered in settlement of such contract, the differences above or below the contract price which the receiver shall pay for such grades other than the basis grade shall be the actual commercial differences, determined as hereinafter provided.

(E) Prohibition of delivery of inferior cotton

Provide that cotton that, because of the presence of extraneous matter of any character, or irregularities or defects, is reduced in value below that of low middling, or cotton that is below the grade of low middling, or, if tinged, cotton that is below the grade of strict middling, or, if yellow stained, cotton that is below the grade of good middling, the grades mentioned being of the official cotton standards of the United States, or cotton that is less than seven-eighths of an inch in length of staple, or cotton of perished staple, or of immature staple, or cotton that is "gin cut" or reginned, or cotton that is "repacked" or "false packed" or "mixed packed" or "water packed", shall not be delivered on, under, or in settlement of such contract.

(F) Provisions for tender in full, notice of delivery date, and certificate of grade

Provide that all tenders of cotton under such contract shall be the full number of bales involved therein, except that such variations of the number of bales may be permitted as is necessary to bring the total weight of the cotton tendered within the

provisions of the contract as to weight; that, on the fifth business day prior to delivery, the person making the tender shall give to the person receiving the same written notice of the date of delivery, and that, on or prior to the date so fixed for delivery, and in advance of final settlement of the contract, the person making the tender shall furnish to the person receiving the same a written notice or certificate stating the grade of each individual bale to be delivered and, by means of marks or numbers, identifying each bale with its grade.

(G) Provision for tender and settlement in accordance with Government classification

Provide that all tenders of cotton and settlements therefor under such contract shall be in accordance with the classification thereof made under the regulations of the Secretary by such officer or officers of the Government as shall be designated for the purpose, and the costs of such classification shall be fixed, assessed, collected, and paid as provided in such regulations and shall be credited to the account referred to in section 55 of this title. The Secretary may provide by regulation conditions under which cotton samples submitted or used in the performance of services authorized by this act shall become the property of the United States and may be sold and the proceeds credited to the foregoing account: *Provided*, That such cotton samples shall not be subject to the provisions of chapters 1 to 11 of title 40 and division C (except sections 3302, 3307(e), 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of title 41. The Secretary is authorized to prescribe regulations for carrying out the purposes of this subparagraph and the certificates of the officers of the Government as to the classification of any cotton for the purposes of this subparagraph shall be accepted in the courts of the United States in all suits between the parties to such contract, or their privies, as prima facie evidence of the true classification of the cotton involved.

(2) Incorporation of conditions in contracts

The provisions of paragraphs (1)(C), (D), (E), (F), and (G) shall be deemed fully incorporated into any such contract if there be written or printed thereon, or on the memorandums evidencing the same, at or prior to the time the same is signed, the phrase "Subject to United States Cotton Futures Act, subsection (f)."

(3) Delivery allowances

For the purpose of this subsection, the differences above or below the contract price which the receiver shall pay for cotton of grades above or below the basic¹ grade in the settlement of a contract of sale for the future delivery of cotton shall be determined by the actual commercial differences in value thereof upon the sixth business day prior to the day fixed, in accordance with paragraph (1)(F), for the delivery of cotton on the contract, estab-

For purposes of this paragraph, such values in the such spot markets shall be based upon the standards for grades of cotton established by the Secretary. Whenever the value of one grade is to be determined from the sale or sales of spot cotton of another grade or grades, such value shall be fixed in accordance with rules and regulations which shall be prescribed for the purpose by the Secretary.

(g) Tendered grade contracts

(1) Conditions

Each tendered grade cotton future contract shall comply with each of the following conditions:

(A) Compliance with subsection (f)

Comply with all the terms and conditions of subsection (f) of this section not inconsistent with this subsection; and

(B) Provision for contingent specific performance

Provide that, in case cotton of grade or grades other than the basis grade specified in the contract shall be tendered in performance of the contract, the parties to such contract may agree, at the time of the tender, as to the price of the grade or grades so tendered, and that if they shall not then agree as to such price, then, and in that event, the buyer of said contract shall have the right to demand the specific fulfillment of such contract by the actual delivery of cotton of the basis grade named therein and at the price specified for such basis grade in said contract.

(2) Incorporation of conditions in contract

Contracts made in compliance with this subsection shall be known as "subsection (g) Contracts". The provisions of this subsection shall be deemed fully incorporated into any such contract if there be written or printed thereon, or on the memorandum evidencing the same, at or prior to the time the same is signed, the phrase "Subject to United States Cotton Futures Act, subsection (g)".

(3) Application of subsection

Nothing in this subsection shall be so construed as to authorize any contract in which, or in the settlement of or in respect to which, any device or arrangement whatever is resorted to, or any agreement is made, for the determination or adjustment of the price of the grade or grades tendered other than the basis grade specified in the contract by any "fixed difference" system, or by arbitration, or by any other method not provided for by this section.

(C) Prohibition of delivery of other than specified grade

Provide that cotton of or within the grade or of the type, or according to the sample or description, specified in the contract shall be delivered thereunder, and that no cotton which does not conform to the type, sample, or description, or which is not of or within the grade specified in the contract shall be tendered or delivered thereunder.

(D) Provision for specific performance

Provide that the delivery of cotton under the contract shall not be effected by means of "setoff" or "ring" settlement, but only by the actual transfer of the specified cotton mentioned in the contract.

(2) Incorporation of conditions in contract

The provisions of paragraphs (1)(A), (C), and (D) shall be deemed fully incorporated into any such contract if there be written or printed thereon, or on the document or memorandum evidencing the same, at or prior to the time the same is entered into, the words "Subject to United States Cotton Futures Act, subsection (h)".

Any person who knowingly violates any regulation made in pursuance of this section, shall, upon conviction thereof, be fined not less than \$100 nor more than \$500, for each violation thereof, in the discretion of the court, and, in case of natural persons, may, in addition be punished by imprisonment for not less than 30 days nor more
