Sections, act Aug. 28, 1937, ch. 878, §§ 1, 2, 50 Stat. 881, extended benefits of former section 343c of this title to Puerto Rico, and for such purpose, authorized appropriations, commencing with initial authorization of \$88,000 for the fiscal year beginning after August 28, 1937, and on an ascending scale thereafter, until they amounted to \$408,000 annually. See sections 341 to 343, 344 to 346, and 347a to 349 of this title.

§ 344. Ascertainment of entitlement of State to funds; time and manner of payment; State reporting requirements; plans of work

(a) Ascertainment of entitlement

On or about the first day of October in each year after June 26, 1953, the Secretary of Agriculture shall ascertain as to each State whether it is entitled to receive its share of the annual appropriation for cooperative agricultural extension work under this subchapter and the amount which it is entitled to receive. Before the funds herein provided shall become available to any college for any fiscal year, plans for the work to be carried on under this subchapter shall be submitted by the proper officials of each

college and approved by the Secretary of Agriculture. The Secretary shall ensure that each college seeking to receive funds under this subchapter has in place appropriate guidelines, as determined by the Secretary, to minimize actual or potential conflicts of interest among employees of such college whose salaries are funded in whole or in part with such funds.

(b) Time and manner of payment; related reports

The amount to which a State is entitled shall be paid in equal quarterly payments in or about July, October, January, and April of each year to the treasurer or other officer of the State duly authorized by the laws of the State to receive the same, and such officer shall be required to report to the Secretary of Agriculture on or about the first day of April of each year, a detailed statement of the amount so received during the previous fiscal year and its disbursement, on forms prescribed by the Secretary of Agriculture.

(c) Requirements related to plan of work

Each extension plan of work for a State required under subsection (a) of this section shall contain descriptions of the following:

(1) The critical short-term, intermediate, and long-term agricultural issues in the State and the current and planned extension programs and projects targeted to address the issues.

(2) The process established to consult with extension users regarding the identification of critical agricultural issues in the State and the development of extension programs and projects targeted to address the issues.

(3) The efforts made to identify and collaborate with other colleges and universities within the State, and within other States, that have a unique capacity to address the identified agricultural issues in the State and the extent of current and emerging efforts (including regional efforts) to work with those other institutions.

(4) The manner in which research and extension, including research and extension activities funded other than through formula funds, will cooperate to address the critical issues in the State, including the activities to be carried out separately, the activities to be carried out sequentially, and the activities to be carried out jointly.

(5) The education and outreach programs already underway to convey available research results that are pertinent to a critical agricultural issue, including efforts to encourage multicounty cooperation in the dissemination of research results.

(d) Extension protocols

(1) Development

The Secretary of Agriculture shall develop protocols to be used to evaluate the success of multistate, multi-institutional, and multidisciplinary extension activities and joint research and extension activities in addressing critical agricultural issues identified in the plans of work submitted under subsection (a) of this section.

(2) Consultation

The Secretary of Agriculture shall develop the protocols in consultation with the Na-

tional Agricultural Research, Extension, Education, and Economics Advisory Board established under section 3123 of this title and land-grant colleges and universities.

(e) Treatment of plans of work for other purposes

To the maximum extent practicable, the Secretary shall consider a plan of work submitted under subsection (a) of this section to satisfy other appropriate Federal reporting requirements.

L. 101-624, title XVI, § 1617, Nov. 28, 1990, 104 Stat. 3732; Pub. L. 105-185, title II, § 202(a), June 23, 1998, 112 Stat. 531.)

AMENDMENTS

1998—Pub. L. 105-185 inserted section catchline, designated existing provisions as subsecs. (a) and (b), inserted subsec. headings, in subsec. (b) substituted “The amount to which a State is entitled” for “Such sums”, and added subsecs. (c) to (e).

1990—Pub. L. 101-624 inserted after second sentence “The Secretary shall ensure that each college seeking to receive funds under this subchapter has in place appropriate guidelines, as determined by the Secretary, to minimize actual or potential conflicts of interest among employees of such college whose salaries are funded in whole or in part with such funds.”

1976—Pub. L. 94-273 substituted “of October” for “of July” and “of April” for “of January”.

1962—Pub. L. 87-749 substituted “quarterly payments in or about July, October, January, and April” for “semiannual payments on the first day of January and July”, and struck out “, Territory or possession” wherever appearing.

1953—Act June 26, 1953, among other changes, inserted first two sentences, inserted references to “Territory, or possession” after references to “State,” in sentence commencing “Such sums”, and in such sentence, struck out reference to payment by the Secretary of the Treasury upon warrant of the Secretary of Agriculture, and substituted “January” for “September” with respect to submission of annual detailed statements.

EFFECTIVE DATE OF 1998 AMENDMENT

Pub. L. 105-185, title II, § 202(c), June 23, 1998, 112 Stat. 533, provided that: “The amendments made by this section [amending this section and section 361g of this title] take effect on October 1, 1999.”

§ 345. Replacement of diminished, lost or misapplied funds; restrictions on use; reports of colleges

If any portion of the moneys received by the designated officer of any State for the support and maintenance of cooperative agricultural extension work, as provided in this subchapter, shall by any action or contingency be diminished or lost or be misapplied, it shall be replaced by said State and until so replaced no subsequent appropriation shall be apportioned or paid to said State. No portion of said moneys shall be applied, directly or indirectly, to the purchase, erection, preservation, or repair of any building or buildings, or the purchase or rental of land, or in college-course teaching, lectures in college, or any other purpose not specified in this subchapter.
