

of the Department of Agriculture. Projects conducted under contract with public and private agencies shall be supplemental to and coordinated with research of these laboratories. Any contracts made pursuant to this authority shall contain requirements making the results of research and investigations available to the public through dedication, assignment to the Government, or such other means as the Secretary shall determine.

(b) In order to carry out further the purposes of section 427 of this title, other than research on utilization of agricultural commodities and the products thereof, and in addition to all other appropriations authorized by sections 427 to 427j of this title, there is authorized to be appropriated for cooperative research with the State agricultural experiment stations and such other appropriate agencies as may be mutually agreeable to the Department of Agriculture and the experiment stations concerned, the following sums:

(1) \$1,500,000 for the fiscal year ending June 30, 1947, and each subsequent fiscal year.

(2) An additional \$1,500,000 for the fiscal year ending June 30, 1948, and each subsequent fiscal year.

(3) An additional \$1,500,000 for the fiscal year ending June 30, 1949, and each subsequent fiscal year.

(4) An additional \$1,500,000 for the fiscal year ending June 30, 1950, and each subsequent fiscal year.

(5) In addition to the foregoing such additional funds beginning with the fiscal year ending June 30, 1951, and thereafter, as the Congress may deem necessary.

(c) The Secretary may incur necessary administrative expenses not to exceed 3 per centum of the amount appropriated in any fiscal year in carrying out this section, including the specific objects of expense enumerated in section 427b of this title.

(d) The "Special research fund, Department of Agriculture," provided by section 427c of this title, shall continue to be available solely for research into laws and principles underlying basic problems of agriculture in its broadest aspects; research relating to the improvement of the quality of, and the development of, new and improved methods of production of, distribution of, and new and extended uses and markets for, agricultural commodities and byproducts and manufactures thereof; and research relating to the conservation, development, and use of land and water resources for agricultural purposes. Such research shall be in addition to research provided for under other law (but both activities shall be coordinated so far as practicable) and shall be conducted by such agencies of the Department of Agriculture as the Secretary of Agriculture may designate or establish.

(e) Appropriations for research work in the Department of Agriculture shall be available for accomplishing such purposes by contract through the means provided in subsection (a) of this section.
