

the objective of full participation of minority groups in research in the Nation's schools of veterinary medicine.

Notwithstanding clause (1) of this subsection, no State which the Secretary determines has made a reasonable effort to establish appropriate cooperative agreements shall be denied a grant or otherwise prejudiced because of its failure to establish such cooperative agreements.

(c) Apportionment and distribution of funds

Funds appropriated to carry out this section for any fiscal year shall be apportioned and distributed as follows:

(1) Five per centum shall be retained by the Department of Agriculture for administration, program assistance to eligible States, and program coordination.

(2) The remainder shall be apportioned and distributed by the Secretary to those States which have applied for funds under this section on such basis as the Secretary may deem appropriate.

EFFECTIVE DATE

Subchapter effective Oct. 1, 1977, see section 1901 of Pub. L. 95-113, set out as an Effective Date of 1977 Amendment note under section 1307 of this title.

§ 3151a. Veterinary medicine loan repayment

(a) Program

(1) Service in shortage situations

The Secretary shall carry out a program of entering into agreements with veterinarians under which the veterinarians agree to provide, for a period of time as determined by the Secretary and specified in the agreement, veterinary services in veterinarian shortage situations. For each year of such service under an agreement under this paragraph, the Secretary shall pay an amount, as determined by the Secretary and specified in the agreement, of the principal and interest of qualifying educational loans of the veterinarians.

(2) Service to Federal Government in emergency situations

(A) In general

The Secretary may enter into agreements of 1 year duration with veterinarians who have agreements pursuant to paragraph (1) for such veterinarians to provide services to the Federal Government in emergency situations, as determined by the Secretary, under terms and conditions specified in the agreement. Pursuant to an agreement under this paragraph, the Secretary shall pay an amount, in addition to the amount paid pursuant to the agreement in paragraph (1), as determined by the Secretary and specified in the agreement, of the principal and interest of qualifying educational loans of the veterinarians.

(B) Requirements

Agreements entered into under this paragraph shall include the following:

(i) A veterinarian shall not be required to serve more than 60 working days per year of the agreement.

(ii) A veterinarian who provides service pursuant to the agreement shall receive a salary commensurate with the duties and shall be reimbursed for travel and per diem expenses as appropriate for the duration of the service.

(b) Determination of veterinarian shortage situations

In determining "veterinarian shortage situations", the Secretary may consider—

(1) geographical areas that the Secretary determines have a shortage of veterinarians; and

(2) areas of veterinary practice that the Secretary determines have a shortage of veterinarians, such as food animal medicine, public health, epidemiology, and food safety.

(c) Administration

(1) Authority

The Secretary may carry out this program directly or enter into agreements with another Federal agency or other service provider to assist in the administration of this program.

(2) Breach remedies

(A) In general

Agreements with program participants shall provide remedies for any breach of an

agreement by a participant, including repayment or partial repayment of financial assistance received, with interest.

(B) Amounts recovered

Funds recovered under this subsection shall be credited to the account available to carry out this section and shall remain available until expended.

(3) Waiver

The Secretary may grant a waiver of the repayment obligation for breach of contract in the event of extreme hardship or extreme need, as determined by the Secretary.

(4) Amount

The Secretary shall develop regulations to determine the amount of loan repayment for a year of service by a veterinarian. In making the determination, the Secretary shall consider the extent to which such determination—

(A) affects the ability of the Secretary to maximize the number of agreements that can be provided under the Veterinary Medicine Loan Repayment Program from the amounts appropriated for such agreements; and

(B) provides an incentive to serve in veterinary service shortage areas with the greatest need.

(5) Qualifying educational loans

Loan repayments provided under this section may consist of payments on behalf of participating individuals of the principal and interest on government and commercial loans received by the individual for attendance of the individual at an accredited college of veterinary medicine resulting in a degree of Doctor of Veterinary Medicine or the equivalent, which loans were made for—

(A) tuition expenses;

(B) all other reasonable educational expenses, including fees, books, and laboratory expenses, incurred by the individual; or

(C) reasonable living expenses as determined by the Secretary.

(6) Repayment schedule

The Secretary may enter into an agreement with the holder of any loan for which payments are made under this section to establish a schedule for the making of such payments.

(7) Tax liability

In addition to educational loan repayments, the Secretary shall make such additional payments to participants as the Secretary determines to be appropriate for the purpose of providing reimbursements to participants for individual tax liability resulting from participation in this program.

(8) Priority

In administering the program, the Secretary shall give priority to agreements with veterinarians for the practice of food animal medicine in veterinarian shortage situations.

(d) Use of funds

None of the funds appropriated to the Secretary under subsection (f) may be used to carry out section 5379 of title 5.

(e) Regulations

Notwithstanding subchapter II of chapter 5 of title 5, not later than 270 days after the date of enactment of this subsection, the Secretary shall promulgate regulations to carry out this section.

(f) Authorization of appropriations

There are authorized to be appropriated for carrying out this section such sums as may be necessary and such sums shall remain available to the Secretary for the purposes of this section until expended.

§3152. Grants and fellowships for food and agricultural sciences education

(a) Higher education teaching programs

The Secretary shall promote and strengthen higher education in the food and agricultural sciences by formulating and administering programs to enhance college and university teaching programs in agriculture, natural resources, forestry, veterinary medicine, home economics, disciplines closely allied to the food and agricultural system, and rural economic, community, and business development.

(b) Grants

The Secretary may make competitive grants (or grants without regard to any requirement for competition) to land-grant colleges and universities (including the University of the District of Columbia), to colleges and universities having significant minority enrollments and a demonstrable capacity to carry out the teaching of food and agricultural sciences, and to other colleges and universities having a demonstrable capacity to carry out the teaching of food and agricultural sciences, for a period not to exceed 5 years—
