§ 1724. Personnel management authorities for positions involved in the development and implementation of the interoperable electronic data system (“Chimera system”)

(a) In general

Notwithstanding any other provision of law relating to position classification or employee pay or performance, the Attorney General may hire and fix the compensation of necessary scientific, technical, engineering, and other analytical personnel for the purpose of the development and implementation of the interoperable electronic data system described in section 1722(a)(2) of this title (also known as the “Chimera system”).

(b) Limitation on rate of pay

Except as otherwise provided by law, no employee compensated under subsection (a) of this section may be paid at a rate in excess of the rate payable for a position at level III of the Executive Schedule.

(c) Limitation on total calendar year payments

Total payments to employees under any system established under this section shall be subject to the limitation on payments to employees under section 5307 of title 5.

(d) Operating plan

Not later than 90 days after May 14, 2002, the Attorney General shall submit to the Committee on Appropriations, the Committee on the Judiciary, the Select Committee on Intelligence, and the Committee on Foreign Relations of the Senate and the Committee on Appropriations, the Committee on the Judiciary, the Permanent Select Committee on Intelligence, and the Committee on International Relations of the House of Representatives an operating plan—

(1) describing the Attorney General’s intended use of the authority under this section; and

(2) identifying any provisions of title 5 being waived for purposes of the development and implementation of the Chimera system.

(e) Termination date

The authority of this section shall terminate upon the implementation of the Chimera system.

(Pub. L. 107-173, title II, § 204, May 14, 2002, 116 Stat. 551.)

SUBCHAPTER III—VISA ISSUANCE

§ 1731. Implementation of an integrated entry and exit data system

(a) Development of system

In developing the integrated entry and exit data system for the ports of entry, as required by the Immigration and Naturalization Service Data Management Improvement Act of 2000 (Public Law 106-215), the Attorney General and the Secretary of State shall—

(1) implement, fund, and use a technology standard under section 1379 of this title at United States ports of entry and at consular posts abroad;

(2) establish a database containing the arrival and departure data from machine-readable visas, passports, and other travel and entry documents possessed by aliens; and

(3) make interoperable all security databases relevant to making determinations of admissibility under section 1182 of this title.

(b) Implementation

In implementing the provisions of subsection (a) of this section, the Immigration and Naturalization Service and the Department of State shall—

(1) utilize technologies that facilitate the lawful and efficient cross-border movement of commerce and persons without compromising the safety and security of the United States; and

(2) consider implementing the North American National Security Program described in section 1751 of this title.
