1211(e)	37:275(c) (2d sentence). 37:277 (less (a)).	
1211(f)	37:275(c) (last sentence).	

In subsections (a) and (b), the words “under section 1210(f) of this title” are substituted for the words “If, as a result of a periodic physical examination”, in 37:275(a) and (b), and 276(a), and the words “and who are subsequently found to be physically fit”, in 37:277(a). The words “subject to the provisions of section 277 of this title”, in 37:275(a), are omitted as surplusage.

In subsections (a)(2)-(6) and (b)(2)-(6), the appointment or enlistment is restricted to those already in an enlisted, warrant, or commissioned status, as the case may be, held by the member before placement of his name on the temporary disability retired list, since 37:277 (last sentence) indicates that appointment in the next higher grade for regular warrant officer is restricted to those warrant grades to which the President alone may appoint him. Similarly 37:275 (last 10 words) indicates that an enlisted member may only be reenlisted.

In subsection (a)(2) reference to the President, in 37:277(a), is omitted as inapplicable to the appointment of warrant officers of the Army and the Air Force.

Subsection (a)(5) is substituted for 37:275(b) (proviso) (as applicable to Army and Air Force).

Subsection (a)(6) is inserted, since the words “reserve component” are defined by section 102(k) of the source statute to include members of the Army and the Air Force who have no component status.

In subsection (b)(2), the words “by and with the advice and consent of the Senate” are added to make it clear that all appointments to the grade of commissioned warrant officer in the Navy, Marine Corps, and Coast Guard require Senate confirmation. Although these words do not appear in section 405 of the Career

Compensation Act of 1949, there is no indication that an exception to the basic law relating to appointments in commissioned grades was intended.

Subsection (d)(3) is made applicable to members without component status, since the words “reserve component” are defined in section 102(k) of the source statute to include members of the Army and the Air Force who have no component status.

In subsection (e), the words “rank” and “rating” are omitted as surplusage.

1962 ACT

The changes correct typographical errors.

(A) Twice the amount of monthly basic pay to which he would be entitled if serving (i) on active duty on the date when he is separated and (ii) in the grade and rank in which he was serving on the date when his name was placed on the temporary disability retired list, or if his name was not carried on that list, on the date when he is separated.

(D) Twice the amount of monthly basic pay to which he would be entitled if serving (i) on active duty on the date when his name was placed on the temporary disability retired list or, if his name was not carried on that list, on the date when he is separated, and (ii) in the temporary grade or rank to which he would have been promoted had it not been for the physical disability for which he is separated and which was found to exist as a result of a physical examination, if his eligibility for promotion was required to be based on cumulative years of service or years in grade.

(b) For the purposes of subsection (a), a part of a year of active service that is six months or more is counted as a whole year, and a part of a year that is less than six months is disregarded.

(c)(1) The minimum years of service of a member for purposes of subsection (a)(1) shall be as follows:

(A) Six years in the case of a member separated from the armed forces for a disability incurred in line of duty in a combat zone (as designated by the Secretary of Defense for purposes of this subsection) or incurred during the performance of duty in combat-related operations as designated by the Secretary of Defense.

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
1212(a)	37:273 (less 1st and last provisos).	Oct. 12, 1949, ch. 681, §403, 63 Stat. 820.
1212(b)	37:273 (1st proviso).	
1212(c)	37:273 (last proviso).	

In subsection (a), the words "Upon separation" are inserted for clarity. The words "his years of service * * * computed under section 1208 of this title" are substituted for the words "a number of years equal to the number of years of active service to which such member is entitled under the provisions of section 282 of this title". In clause (2)(A)-(D), the words "Twice the amount of monthly" are substituted for the words "An amount equal to two months'". The words "if his name was not carried on that list" are substituted for the words "whichever is earlier", since the member might be separated without ever being carried on the list. The word "rating" is omitted as surplusage.

In clause (2)(B), the words "the Secretary of the military department, or the Secretary of the Treasury, as the case may be, having jurisdiction over the armed force from which he is separated" are substituted for the words "the Secretary concerned" for clarity.

In clause (2)(C), the words "regular or reserve" are inserted, since they are the only "permanent" grades.

Clause (2)(D) is based on that part of the third proviso of 37:273 relating to promotions other than regular or reserve.

In subsection (b), the words "and a part of a year that is less than six months is disregarded" are inserted to reflect the legislative history of the rule (see Senate Hearings on H.R. 5007, 81st Cong., page 313). The words "for himself or his dependents" are omitted as surplusage.
