SEC. 7. Nothing in this order shall be construed to affect the duties, powers, and functions vested in the Administrator of Veterans' Affairs pursuant to the provisions of the act of May 24, 1928, entitled "An Act making eligible for retirement, under certain conditions, officers and former officers of the Army, Navy, and Marine Corps of the United States, other than officers of the Regular Army, Navy, or Marine Corps, who incurred physical disability in line of duty while in the service of the United States during the World War" (45 Stat. 735, as amended) [section 581 of former Title 38], or by or pursuant to the act of September 26, 1941, entitled "An Act to provide retirement pay and hospital benefits to certain Reserve officers, Army of the United States, disabled while on active duty" (55 Stat. 733) [former section 456a of this title].

§ 1216a. Determinations of disability: requirements and limitations on determinations

(a) UTILIZATION OF VA SCHEDULE FOR RATING DISABILITIES IN DETERMINATIONS OF DISABILITY.—(1) In making a determination of disability of a member of the armed forces for purposes of this chapter, the Secretary concerned—

(A) shall, to the extent feasible, utilize the schedule for rating disabilities in use by the Department of Veterans Affairs, including any applicable interpretation of the schedule by the United States Court of Appeals for Veterans Claims; and

(B) except as provided in paragraph (2), may not deviate from the schedule or any such interpretation of the schedule.

(2) In making a determination described in paragraph (1), the Secretary concerned may utilize in lieu of the schedule described in that paragraph such criteria as the Secretary of Defense and the Secretary of Veterans Affairs may jointly prescribe for purposes of this subsection if the utilization of such criteria will result in a determination of a greater percentage of disability than would be otherwise determined through the utilization of the schedule.

(b) CONSIDERATION OF ALL MEDICAL CONDITIONS.—In making a determination of the rating of disability of a member of the armed forces for purposes of this chapter, the Secretary concerned shall take into account all medical conditions, whether individually or collectively, that render the member unfit to perform the duties of the member's office, grade, rank, or rating.

HISTORICAL AND REVISION NOTES
1956 ACT

Revised section	Source (U.S. Code)	Source (Statutes at Large)
1217	[No source].	[No source].

The revised section is inserted to reflect the limited definition of the word "member" in section 102(b) of the Career Compensation Act of 1949 (37 U.S.C. 231(b)).

1958 ACT

Aviation cadets were omitted from chapter 61 because Title IV of the Career Compensation Act of 1949 (formerly 37 U.S.C. 271 et seq.), which was the source law for this chapter, covered only members entitled to basic pay and it was believed that aviation cadets were not so entitled. However, the Comptroller General has ruled that aviation cadets are entitled to basic pay (30 Comp. Gen. 431). Accordingly, aviation cadets were covered by Title IV and should not be excepted from chapter 61.

AMENDMENTS

2006—Subsec. (a). Pub. L. 109-364 substituted "October 28, 2004" for "the date of the enactment of the Ronald W. Reagan National Defense Authorization Act for Fiscal Year 2005".

2004—Pub. L. 108-375 amended section catchline and text generally. Prior to amendment, text read as follows: "This chapter does not apply to cadets at the United States Military Academy, the United States Air Force Academy, or the Coast Guard Academy, or to midshipmen of the Navy."

1958—Pub. L. 85-861 struck out provisions which made chapter inapplicable to aviation cadets.
