“(3) The Secretary is not required to appoint a board under paragraph (1) with respect to the disappearance of any person—

“(B) if, before the end of such 30-year period, the missing person is accounted for.”

§ 1506. Personnel files

(a) INFORMATION IN FILES.—Except as provided in subsections (b), (c), and (d), the Secretary concerned shall, to the maximum extent practicable, ensure that the personnel file of a missing person contains all information in the possession of the United States relating to the disappearance and whereabouts and status of the person.

(b) CLASSIFIED INFORMATION.—(1) The Secretary concerned may withhold classified information from a personnel file under this section. If the Secretary concerned withholds classified information from a personnel file, the Secretary shall ensure that the file contains the following:

(A) A notice that the withheld information exists.

(B) A notice of the date of the most recent review of the classification of the withheld information.

(2)(A) If classified information withheld under this subsection refers to one or more unnamed missing persons, the Secretary shall ensure that notice of that withheld information, and notice of the date of the most recent review of the classification of that withheld information, is made reasonably accessible to the primary next of kin, members of the immediate family, and the previously designated person of all missing persons from the conflict or period of war to which the classified information pertains.

(B) For purposes of subparagraph (A), information shall be considered to be made reasonably accessible if placed in a separate and distinct file that is available for review by persons specified in subparagraph (A) upon the request of any such person either to review the separate file or to review the personnel file of the missing person concerned.

(c) PROTECTION OF PRIVACY.—The Secretary concerned shall maintain personnel files under this section, and shall permit disclosure of or access to such files, in accordance with the provisions of section 552a of title 5 and with other applicable laws and regulations pertaining to the privacy of the persons covered by the files.

That extract, following a review by the source of the debriefing report, shall be placed in the personnel file of each missing person named in the debriefing report in such a manner as to protect the identity of the source providing the information. Any information contained in the extract of the debriefing report that pertains to unnamed missing persons shall be made reasonably accessible to the primary next of kin, members of the immediate family, and the previously designated person.

(4) Whenever the Secretary concerned withholds a debriefing report, or part of a debriefing report, from a personnel file under this subsection, the Secretary shall ensure that the file contains a notice that withheld information exists.
