CONTINUATION OF SUPPORT TO SENIOR MILITARY COLLEGES

Pub. L. 105–85, div. A, title V, §544(a)–(c), Nov. 18, 1997, 111 Stat. 1744, provided that:

“(a) DEFINITION OF SENIOR MILITARY COLLEGES.—For purposes of this section, the term ‘senior military colleges’ means the following:

- “(1) Texas A&M University.
- “(2) Norwich University.
- “(3) The Virginia Military Institute.
- “(4) The Citadel.
- “(5) Virginia Polytechnic Institute and State University.
- “(6) North Georgia College and State University.

“(b) FINDINGS.—Congress finds the following:

“(1) The senior military colleges consistently have provided substantial numbers of highly qualified, long-serving leaders to the Armed Forces.

“(2) The quality of the military leaders produced by the senior military colleges is, in part, the result of the rigorous military environment imposed on students attending the senior military colleges by the colleges, as well as the result of the long-standing close support relationship between the Corps of Cadets at each college and the Reserve Officer Training Corps personnel at the colleges who serve as effective leadership role models and mentors.

“(3) In recognition of the quality of the young leaders produced by the senior military colleges, the Department of Defense and the military services have traditionally maintained special relationships with the colleges, including the policy to grant active duty service in the Army to graduates of the colleges who desire such service and who are recommended for such service by their ROTC professors of military science.

“(4) Each of the senior military colleges has demonstrated an ability to adapt its systems and operations to changing conditions in, and requirements of, the Armed Forces without compromising the qual-

ity of leaders produced and without interruption of the close relationship between the colleges and the Department of Defense.

“(c) SENSE OF CONGRESS.—In light of the findings in subsection (b), it is the sense of Congress that—

“(1) the proposed initiative of the Secretary of the Army to end the commitment to active duty service for all graduates of senior military colleges who desire such service and who are recommended for such service by their ROTC professors of military science is short-sighted and contrary to the long-term interests of the Army;

“(2) as they have in the past, the senior military colleges can and will continue to accommodate to changing military requirements to ensure that future graduates entering military service continue to be officers of superb quality who are quickly assimilated by the Armed Forces and fully prepared to make significant contributions to the Armed Forces through extended military careers; and

“(3) decisions of the Secretary of Defense or the Secretary of a military department that fundamentally and unilaterally change the long-standing relationship of the Armed Forces with the senior military colleges are not in the best interests of the Department of Defense or the Armed Forces and are patently unfair to students who made decisions to enroll in the senior military colleges on the basis of existing Department and Armed Forces policy.”

§ 2111b. Senior military colleges: Department of Defense international student program

(a) PROGRAM REQUIREMENT.—The Secretary of Defense shall establish a program to facilitate the enrollment and instruction of persons from foreign countries as international students at the senior military colleges.

(b) PURPOSES.—The purposes of the program shall be—

(1) to provide a high-quality, cost-effective military-based educational experience for international students in furtherance of the military-to-military program objectives of the Department of Defense; and

(2) to enhance the educational experience and preparation of future United States military leaders through increased, extended interaction with highly qualified potential foreign military leaders.

(c) COORDINATION WITH THE SENIOR MILITARY COLLEGES.—Guidelines for implementation of the program shall be developed in coordination with the senior military colleges.

(d) RECOMMENDATIONS FOR ADMISSION OF STUDENTS UNDER THE PROGRAM.—The Secretary of Defense shall annually identify to the senior military colleges the international students who, based on criteria established by the Secretary, the Secretary recommends be considered for admission under the program. The Secretary shall identify the recommended international students to the senior military colleges as early as possible each year to enable those colleges to consider them in a timely manner in their respective admissions processes.

(e) DOD FINANCIAL SUPPORT.—An international student who is admitted to a senior military college under the program under this section is responsible for the cost of instruction at that college. The Secretary of Defense may, from funds available to the Department of Defense other than funds available for financial assistance under section 2107a of this title, provide

some or all of the costs of instruction for any such student.

(Added Pub. L. 106-65, div. A, title V, §541(a)(1), Oct. 5, 1999, 113 Stat. 606.)
