

retaining information regarding commercial technology priorities and needs, technologies available to meet such priorities and needs, and ongoing research and development directed toward gaps in such technologies.

“(6) Developing mechanisms, including web-based mechanisms, to facilitate communications with industry regarding the priorities and needs of the Department of Defense identified pursuant to paragraph (1) and commercial technologies available to address such priorities and needs.

“(7) Assisting in the development of guides to help small information technology companies with promising technologies to understand and navigate the funding and acquisition processes of the Department of Defense.

“(8) Developing methods to measure how well processes developed by the clearinghouse are being utilized and to collect data on an ongoing basis to assess the benefits of commercial technologies that are procured on the recommendation of the clearinghouse.

“(c) PERSONNEL.—The Secretary of Defense, acting through the Assistant Secretary of Defense for Networks and Information Integration, shall provide for the hiring and support of employees (including detailees from other components of the Department of Defense and from other Federal departments or agencies) to assist in identifying, assessing, and disseminating information regarding commercial technologies under this section.

“(d) REPORT TO CONGRESS.—Not later than one year after the date of the enactment of this Act [Jan. 28, 2008], the Secretary of Defense shall submit to the congressional defense committees [Committees on Armed Services and Appropriations of the Senate and the House of Representatives] a report on the implementation of this section.”

TIME FOR IMPLEMENTATION; APPLICABILITY

Pub. L. 106-398, § 1 [[div. A], title VIII, § 812(b)], Oct. 30, 2000, 114 Stat. 1654, 1654A-214, provided that:

“(1) The Secretary of Defense shall collect data as required under section 2225 of title 10, United States Code (as added by subsection (a)) for all contractual actions covered by such section entered into on or after the date that is one year after the date of the enactment of this Act [Oct. 30, 2000].

“(2) Subsection (d) of such section shall apply with respect to purchases described in that subsection for which solicitations of offers are issued on or after the date that is one year after the date of the enactment of this Act.”

GAO REPORT

Pub. L. 106-398, § 1 [[div. A], title VIII, § 812(c)], Oct. 30, 2000, 114 Stat. 1654, 1654A-214, directed the Comptroller General to submit to committees of Congress a report on the collection of data under this section not later than 15 months after Oct. 30, 2000.

§ 2226. Contracted property and services: prompt payment of vouchers

(a) REQUIREMENT.—Of the contract vouchers that are received by the Defense Finance and Accounting Service by means of the mechanization of contract administration services system, the number of such vouchers that remain unpaid for more than 30 days as of the last day of each month may not exceed 5 percent of the total number of the contract vouchers so received that remain unpaid on that day.

(b) CONTRACT VOUCHER DEFINED.—In this section, the term “contract voucher” means a voucher or invoice for the payment to a contractor for services, commercial items (as defined in section 103 of title 41), or other deliverable items provided by the contractor under a contract funded by the Department of Defense.

(Added Pub. L. 106-398, § 1 [[div. A], title X, § 1006(a)(1)], Oct. 30, 2000, 114 Stat. 1654, 1654A-247; amended Pub. L. 111-350, § 5(b)(7), Jan. 4, 2011, 124 Stat. 3842.)

AMENDMENTS

2011—Subsec. (b). Pub. L. 111-350 substituted “section 103 of title 41” for “section 4(12) of the Office of Federal Procurement Policy Act (41 U.S.C. 403(12))”.

EFFECTIVE DATE

Pub. L. 106-398, § 1 [[div. A], title X, § 1006(b)], Oct. 30, 2000, 114 Stat. 1654, 1654A-248, provided that: “Section 2226 of title 10, United States Code (as added by subsection (a)), shall take effect on December 1, 2000.”

CONDITIONAL REQUIREMENT FOR REPORT

Pub. L. 106-398, § 1 [[div. A], title X, § 1006(c)], Oct. 30, 2000, 114 Stat. 1654, 1654A-248, provided that:

“(1) If for any month of the noncompliance reporting period the requirement in section 2226 of title 10, United States Code (as added by subsection (a)), is not met, the Secretary of Defense shall submit to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives a report on the magnitude of the unpaid contract vouchers. The report for a month shall be submitted not later than 30 days after the end of that month.

“(2) A report for a month under paragraph (1) shall include information current as of the last day of the month as follows:

“(A) The number of the vouchers received by the Defense Finance and Accounting Service by means of the mechanization of contract administration services system during each month.

“(B) The number of the vouchers so received, whenever received by the Defense Finance and Accounting Service, that remain unpaid for each of the following periods:

“(i) Over 30 days and not more than 60 days.

“(ii) Over 60 days and not more than 90 days.

“(iii) More than 90 days.

“(C) The number of the vouchers so received that remain unpaid for the major categories of procurements, as defined by the Secretary of Defense.

“(D) The corrective actions that are necessary, and those that are being taken, to ensure compliance with the requirement in subsection (a).

“(3) For purposes of this subsection:

“(A) The term ‘noncompliance reporting period’ means the period beginning on December 1, 2000, and ending on November 30, 2004.

“(B) The term ‘contract voucher’ has the meaning given that term in section 2226(b) of title 10, United States Code (as added by subsection (a)).”

§ 2227. Electronic submission and processing of claims for contract payments

(a) SUBMISSION OF CLAIMS.—The Secretary of Defense shall require that any claim for payment under a Department of Defense contract shall be submitted to the Department of Defense in electronic form.

(b) PROCESSING.—A contracting officer, contract administrator, certifying official, or other officer or employee of the Department of Defense who receives a claim for payment in electronic form in accordance with subsection (a) and is required to transmit the claim to any other officer or employee of the Department of Defense for processing under procedures of the department shall transmit the claim and any additional documentation necessary to support the determination and payment of the claim to such other officer or employee electronically.

(c) WAIVER AUTHORITY.—If the Secretary of Defense determines that the requirement for

using electronic means for submitting claims under subsection (a), or for transmitting claims and supporting documentation under subsection (b), is unduly burdensome in any category of cases, the Secretary may exempt the cases in that category from the application of the requirement.

(d) IMPLEMENTATION OF REQUIREMENTS.—In implementing subsections (a) and (b), the Secretary of Defense shall provide for the following:

(1) Policies, requirements, and procedures for using electronic means for the submission of claims for payment to the Department of Defense and for the transmission, between Department of Defense officials, of claims for payment received in electronic form, together with supporting documentation (such as receiving reports, contracts and contract modifications, and required certifications).

(2) The format in which information can be accepted by the corporate database of the Defense Finance and Accounting Service.

(3) The requirements to be included in contracts regarding the electronic submission of claims for payment by contractors.

(e) CLAIM FOR PAYMENT DEFINED.—In this section, the term “claim for payment” means an invoice or any other demand or request for payment.

(Added Pub. L. 106-398, §1 [[div. A], title X, §1008(a)(1)], Oct. 30, 2000, 114 Stat. 1654, 1654A-249.)

EFFECTIVE DATE

Pub. L. 106-398, §1 [[div. A], title X, §1008(c)], Oct. 30, 2000, 114 Stat. 1654, 1654A-250, provided that:

“(1) Subject to paragraph (2), the Secretary of Defense shall apply section 2227 of title 10, United States Code (as added by subsection (a)), with respect to contracts for which solicitations of offers are issued after June 30, 2001.

“(2)(A) The Secretary may delay the implementation of section 2227 to a date after June 30, 2001, upon a finding that it is impracticable to implement that section until that later date. In no event, however, may the implementation be delayed to a date after October 1, 2002.

“(B) Upon determining to delay the implementation of such section 2227 to a later date under subparagraph (A), the Secretary shall promptly publish a notice of the delay in the Federal Register. The notice shall include a specification of the later date on which the implementation of that section is to begin. Not later than 30 days before the later implementation date, the Secretary shall publish in the Federal Register another notice that such section is being implemented beginning on that date.”

[Notice by Department of Defense of delay in the implementation of this section from June 30, 2001, until Oct. 1, 2002, was published on Aug. 21, 2001, at 66 F.R. 43841.]

IMPLEMENTATION PLAN

Pub. L. 106-398, §1 [[div. A], title X, §1008(b)], Oct. 30, 2000, 114 Stat. 1654, 1654A-250, directed the Secretary of Defense, not later than Mar. 30, 2001, to submit to committees of Congress a plan for the implementation of the requirements imposed under this section.

§ 2228. Office of Corrosion Policy and Oversight

(a) OFFICE AND DIRECTOR.—(1) There is an Office of Corrosion Policy and Oversight within the Office of the Under Secretary of Defense for Acquisition, Technology, and Logistics.

(2) The Office shall be headed by a Director of Corrosion Policy and Oversight, who shall be assigned to such position by the Under Secretary from among civilian employees of the Department of Defense with the qualifications described in paragraph (3). The Director is responsible in the Department of Defense to the Secretary of Defense (after the Under Secretary of Defense for Acquisition, Technology, and Logistics) for the prevention and mitigation of corrosion of the military equipment and infrastructure of the Department of Defense. The Director shall report directly to the Under Secretary.

(3) In order to qualify to be assigned to the position of Director, an individual shall—

(A) have management expertise in, and professional experience with, corrosion project and policy implementation, including an understanding of the effects of corrosion policies on infrastructure; research, development, test, and evaluation; and maintenance; and

(B) have an understanding of Department of Defense budget formulation and execution, policy formulation, and planning and program requirements.

(4) The Secretary of Defense shall designate the position of Director as a critical acquisition position under section 1733(b)(1)(C) of this title.

(b) DUTIES.—(1) The Director of Corrosion Policy and Oversight (in this section referred to as the “Director”) shall oversee and coordinate efforts throughout the Department of Defense to prevent and mitigate corrosion of the military equipment and infrastructure of the Department. The duties under this paragraph shall include the duties specified in paragraphs (2) through (5).

(2) The Director shall develop and recommend any policy guidance on the prevention and mitigation of corrosion to be issued by the Secretary of Defense.

(3) The Director shall review the programs and funding levels proposed by the Secretary of each military department during the annual internal Department of Defense budget review process as those programs and funding proposals relate to programs and funding for the prevention and mitigation of corrosion and shall submit to the Secretary of Defense recommendations regarding those programs and proposed funding levels.

(4) The Director shall provide oversight and coordination of the efforts within the Department of Defense to prevent or mitigate corrosion during—

(A) the design, acquisition, and maintenance of military equipment; and

(B) the design, construction, and maintenance of infrastructure.

(5) The Director shall monitor acquisition practices within the Department of Defense—

(A) to ensure that the use of corrosion prevention technologies and the application of corrosion prevention treatments are fully considered during research and development in the acquisition process; and

(B) to ensure that, to the extent determined appropriate for each acquisition program, such technologies and treatments are incorporated into that program, particularly during the engineering and design phases of the acquisition process.
