“(a) The Secretary of Defense is authorized to assist communities located near the TRIDENT Support Site Bangor, Washington, in meeting the costs of providing increased municipal services and facilities to the residents of such communities, if the Secretary determines that there is an immediate and substantial increase in the need for such services and facilities in such communities as a direct result of work being carried out in connection with the construction, installation, testing, and operation of the TRIDENT Weapon System and that an unfair and excessive financial burden will be incurred by such communities as a result of the increased need for such services and facilities.

“(d) Any funds appropriated to the Department of Defense for the fiscal year beginning July 1, 1974, for carrying out the TRIDENT Weapon System shall be uti-

(2) Each Selected Acquisition Report for the first quarter of a fiscal year shall be designed to provide to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives the information such Committees need to perform their oversight functions. Whenever the Secretary of Defense proposes to make changes in the content of a Selected Acquisition Report, the Secretary shall submit a notice of the proposed changes to such committees. The changes shall be considered approved by the Secretary, and may be incorporated into the report, only after the end of the 60-day period beginning on the date on which the notice is received by those committees.
