

suant to this section to implement the requirements of this section.

**§ 2475. Consolidation, restructuring, or re-engineering of organizations, functions, or activities: notification requirements**

(a) REQUIREMENT TO SUBMIT PLAN ANNUALLY.—Concurrently with the submission of the President's annual budget request under section 1105 of title 31, the Secretary of Defense shall submit to Congress each Strategic Sourcing Plan of Action for the Department of Defense (as identified in the Department of Defense Interim Guidance dated February 29, 2000, or any successor Department of Defense guidance or directive), for the following year.

(b) NOTIFICATION OF DECISION TO EXECUTE PLAN.—If a decision is made to consolidate, restructure, or reengineer an organization, function, or activity of the Department of Defense pursuant to a Strategic Sourcing Plan of Action described in subsection (a), and such consolidation, restructuring, or reengineering would result in a manpower reduction affecting 50 or more personnel of the Department of Defense (including military and civilian personnel)—

(1) the Secretary of Defense shall submit to the Committees on Armed Services of the Senate and the House of Representatives a report describing that decision, including—

(A) a projection of the savings that will be realized as a result of the consolidation, restructuring, or reengineering, compared with the cost incurred by the Department of Defense to perform the function or to operate the organization or activity prior to such proposed consolidation, restructuring, or reengineering;

(B) a description of all missions, duties, or military requirements that will be affected as a result of the decision to consolidate, restructure, or reengineer the organization, function, or activity that was analyzed;

(C) the Secretary's certification that the consolidation, restructuring, or reengineering will not result in any diminution of military readiness;

(D) a schedule for performing the consolidation, restructuring, or reengineering; and

(E) the Secretary's certification that the entire analysis for the consolidation, restructuring, or reengineering is available for examination; and

(2) the head of the Defense Agency or the Secretary of the military department concerned may not implement the plan until 30 days after the date that the agency head or Secretary submits notification to the Committees on Armed Services of the Senate and House of Representatives of the intent to carry out such plan.

(Added Pub. L. 106-398, §1 [[div. A], title III, §353(a)], Oct. 30, 2000, 114 Stat. 1654, 1654A-72.)

**§ 2476. Minimum capital investment for certain depots**

(a) MINIMUM INVESTMENT.—Each fiscal year, the Secretary of a military department shall invest in the capital budgets of the covered depots of that military department a total amount

equal to not less than six percent of the average total combined maintenance, repair, and overhaul workload funded at all the depots of that military department for the preceding three fiscal years.

(b) CAPITAL BUDGET.—For purposes of this section, the capital budget of a depot includes investment funds spent to modernize or improve the efficiency of depot facilities, equipment, work environment, or processes in direct support of depot operations, but does not include funds spent for sustainment of existing facilities, infrastructure, or equipment.

(c) WAIVER.—The Secretary of Defense may waive the requirement under subsection (a) with respect to a military department for a fiscal year if the Secretary determines that the waiver is necessary for reasons of national security. Whenever the Secretary makes such a waiver, the Secretary shall notify the congressional defense committees of the waiver and the reasons for the waiver.

(d) ANNUAL REPORT.—(1) Not later than 45 days after the date on which the President submits to Congress the budget for a fiscal year under section 1105 of title 31, the Secretary of Defense shall submit to the congressional defense committees a report containing budget justification documents summarizing the level of capital investment for each military department as of the end of the preceding fiscal year.

(2) Each report submitted under paragraph (1) shall include the following:

(A) A specification of any statutory, regulatory, or operational impediments to achieving the requirement under subsection (a) with respect to each military department.

(B) A description of the benchmarks for capital investment established for each covered depot and military department and the relationship of the benchmarks to applicable performance measurement methods used in the private sector.

(C) If the requirement under subsection (a) is not met for a military department for the fiscal year covered by the report, a statement of the reasons why the requirement was not met and a plan of actions for meeting the requirement for the fiscal year beginning in the year in which such report is submitted.

(D) Separate consideration and reporting of Navy depots and Marine Corps depots.

(E) A table showing the funded workload performed by each covered depot for the preceding three fiscal years and actual investment funds allocated to each depot for the period covered by the report.

(e) COVERED DEPOT.—In this section, the term "covered depot" means any of the following:

(1) With respect to the Department of the Army:

(A) Anniston Army Depot, Alabama.

(B) Letterkenny Army Depot, Pennsylvania.

(C) Tobyhanna Army Depot, Pennsylvania.

(D) Corpus Christi Army Depot, Texas.

(E) Red River Army Depot, Texas.

(F) Watervliet Arsenal, New York.

(G) Rock Island Arsenal, Illinois.

(H) Pine Bluff Arsenal, Arkansas.

(I) Tooele Army Depot, Utah.
