

into the Treasury under subsection (f)(1) to cover the cost of any additional analysis, site characterization, and geotechnical studies deemed necessary by the Secretary to support environmental restoration, waste management, or environmental compliance with respect to Oil Shale Reserve Numbered 3. Upon the completion of such studies, the Secretary of the Interior shall submit to Congress a report containing—

(A) the results and conclusions of such studies; and

(B) an estimate of the total cost of the Secretary's preferred alternative to address environmental restoration, waste management, and environmental compliance needs at Oil Shale Reserve Numbered 3.

(2) If the cost estimate required by paragraph (1)(B) does not exceed the total of the moneys covered into the Treasury under subsection (f)(1) and remaining available for obligation as of the date of submission of the report under paragraph (1), the Secretary of the Interior may access such moneys, beginning 60 days after submission of the report and without further appropriation, to cover the costs of implementing the preferred alternative to address environmental restoration, waste management, and environmental compliance needs at Oil Shale Reserve Numbered 3. If the cost estimate exceeds such available moneys, the Secretary of the Interior may only access such moneys as authorized by subsequent Act of Congress.
