DEFINITIONS

For definitions of terms used in this section, see section 5301 of Title 12, Banks and Banking.

§ 78n. Proxies

(a) Solicitation of proxies in violation of rules and regulations

(1) It shall be unlawful for any person, by the use of the mails or by any means or instrumentality of interstate commerce or of any facility

of a national securities exchange or otherwise, in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors, to solicit or to permit the use of his name to solicit any proxy or consent or authorization in respect of any security (other than an exempted security) registered pursuant to section 78l of this title.

(2) The rules and regulations prescribed by the Commission under paragraph (1) may include—

(A) a requirement that a solicitation of proxy, consent, or authorization by (or on behalf of) an issuer include a nominee submitted by a shareholder to serve on the board of directors of the issuer; and

(B) a requirement that an issuer follow a certain procedure in relation to a solicitation described in subparagraph (A).

(b) Giving or refraining from giving proxy in respect of any security carried for account of customer

(1) It shall be unlawful for any member of a national securities exchange, or any broker or dealer registered under this chapter, or any bank, association, or other entity that exercises fiduciary powers, in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors, to give, or to refrain from giving a proxy, consent, authorization, or information statement in respect of any security registered pursuant to section 78l of this title, or any security issued by an investment company registered under the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.], and carried for the account of a customer.

(2) With respect to banks, the rules and regulations prescribed by the Commission under paragraph (1) shall not require the disclosure of the names of beneficial owners of securities in an account held by the bank on December 28, 1985, unless the beneficial owner consents to the disclosure. The provisions of this paragraph shall not apply in the case of a bank which the Commission finds has not made a good faith effort to obtain such consent from such beneficial owners.

(c) Information to holders of record prior to annual or other meeting

Unless proxies, consents, or authorizations in respect of a security registered pursuant to section 78l of this title, or a security issued by an investment company registered under the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.], are solicited by or on behalf of the management of the issuer from the holders of record of such security in accordance with the rules and regulations prescribed under subsection (a) of this section, prior to any annual or other meeting of the holders of such security, such issuer shall, in accordance with rules and regulations prescribed by the Commission, file with the Commission and transmit to all holders of record of such security information substantially equivalent to the information which would be required to be transmitted if a solicitation were made, but no information shall be required to be filed or transmitted pursuant to this subsection before July 1, 1964.

(d) Tender offer by owner of more than five per centum of class of securities; exceptions

(1) It shall be unlawful for any person, directly or indirectly, by use of the mails or by any means or instrumentality of interstate commerce or of any facility of a national securities exchange or otherwise, to make a tender offer for, or a request or invitation for tenders of, any class of any equity security which is registered pursuant to section 78l of this title, or any equity security of an insurance company which would have been required to be so registered except for the exemption contained in section 78l(g)(2)(G) of this title, or any equity security issued by a closed-end investment company registered under the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.], if, after consummation thereof, such person would, directly or indirectly, be the beneficial owner of more than 5 per centum of such class, unless at the time copies of the offer or request or invitation are first published or sent or given to security holders such person has filed with the Commission a statement containing such of the information specified in section 78m(d) of this title, and such additional information as the Commission may by rules and regulations prescribe as necessary or appropriate in the public interest or for the protection of investors. All requests or invitations for tenders or advertisements making a tender offer or requesting or inviting tenders of such a security shall be filed as a part of such statement and shall contain such of the information contained in such statement as the Commission may by rules and regulations prescribe. Copies of any additional material soliciting or requesting such tender offers subsequent to the initial solicitation or request shall contain such information as the Commission may by rules and regulations prescribe as necessary or appropriate in the public interest or for the protection of investors, and shall be filed with the Commission not later than the time copies of such material are first published or sent or given to security holders. Copies of all statements, in the form in which such material is furnished to security holders and the Commission, shall be sent to the issuer not later than the date such material is first published or sent or given to any security holders.

(2) When two or more persons act as a partnership, limited partnership, syndicate, or other group for the purpose of acquiring, holding, or disposing of securities of an issuer, such syndicate or group shall be deemed a "person" for purposes of this subsection.

(3) In determining, for purposes of this subsection, any percentage of a class of any security, such class shall be deemed to consist of the amount of the outstanding securities of such class, exclusive of any securities of such class held by or for the account of the issuer or a subsidiary of the issuer.

(4) Any solicitation or recommendation to the holders of such a security to accept or reject a tender offer or request or invitation for tenders shall be made in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(5) Securities deposited pursuant to a tender offer or request or invitation for tenders may be

withdrawn by or on behalf of the depositor at any time until the expiration of seven days after the time definitive copies of the offer or request or invitation are first published or sent or given to security holders, and at any time after sixty days from the date of the original tender offer or request or invitation, except as the Commission may otherwise prescribe by rules, regulations, or order as necessary or appropriate in the public interest or for the protection of investors.

(6) Where any person makes a tender offer, or request or invitation for tenders, for less than all the outstanding equity securities of a class, and where a greater number of securities is deposited pursuant thereto within ten days after copies of the offer or request or invitation are first published or sent or given to security holders than such person is bound or willing to take up and pay for, the securities taken up shall be taken up as nearly as may be pro rata, disregarding fractions, according to the number of securities deposited by each depositor. The provisions of this subsection shall also apply to securities deposited within ten days after notice of an increase in the consideration offered to security holders, as described in paragraph (7), is first published or sent or given to security holders.

(7) Where any person varies the terms of a tender offer or request or invitation for tenders before the expiration thereof by increasing the consideration offered to holders of such securities, such person shall pay the increased consideration to each security holder whose securities are taken up and paid for pursuant to the tender offer or request or invitation for tenders whether or not such securities have been taken up by such person before the variation of the tender offer or request or invitation.

(8) The provisions of this subsection shall not apply to any offer for, or request or invitation for tenders of, any security—

(A) if the acquisition of such security, together with all other acquisitions by the same person of securities of the same class during the preceding twelve months, would not exceed 2 per centum of that class;

(B) by the issuer of such security; or

(C) which the Commission, by rules or regulations or by order, shall exempt from the provisions of this subsection as not entered into for the purpose of, and not having the effect of, changing or influencing the control of the issuer or otherwise as not comprehended within the purposes of this subsection.

(e) Untrue statement of material fact or omission of fact with respect to tender offer

It shall be unlawful for any person to make any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made, in the light of the circumstances under which they are made, not misleading, or to engage in any fraudulent, deceptive, or manipulative acts or practices, in connection with any tender offer or request or invitation for tenders, or any solicitation of security holders in opposition to or in favor of any such offer, request, or invitation. The Commission shall, for the purposes of this subsection, by rules and regulations define, and prescribe

means reasonably designed to prevent, such acts and practices as are fraudulent, deceptive, or manipulative.

(f) Election or designation of majority of directors of issuer by owner of more than five per centum of class of securities at other than meeting of security holders

If, pursuant to any arrangement or understanding with the person or persons acquiring securities in a transaction subject to subsection (d) of this section or subsection (d) of section 78m of this title, any persons are to be elected or designated as directors of the issuer, otherwise than at a meeting of security holders, and the persons so elected or designated will constitute a majority of the directors of the issuer, then, prior to the time any such person takes office as a director, and in accordance with rules and regulations prescribed by the Commission, the issuer shall file with the Commission, and transmit to all holders of record of securities of the issuer who would be entitled to vote at a meeting for election of directors, information substantially equivalent to the information which would be required by subsection (a) or (c) of this section to be transmitted if such person or persons were nominees for election as directors at a meeting of such security holders.

(g) Filing fees

(1)(A) At the time of filing such preliminary proxy solicitation material as the Commission may require by rule pursuant to subsection (a) of this section that concerns an acquisition, merger, consolidation, or proposed sale or other disposition of substantially all the assets of a company, the person making such filing, other than a company registered under the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.], shall pay to the Commission the following fees:

(i) for preliminary proxy solicitation material involving an acquisition, merger, or consolidation, if there is a proposed payment of cash or transfer of securities or property to shareholders, a fee at a rate that, subject to paragraph (4), is equal to \$92 per \$1,000,000 of such proposed payment, or of the value of such securities or other property proposed to be transferred; and

(ii) for preliminary proxy solicitation material involving a proposed sale or other disposition of substantially all of the assets of a company, a fee at a rate that, subject to paragraph (4), is equal to \$92 per \$1,000,000 of the cash or of the value of any securities or other property proposed to be received upon such sale or disposition.

(B) The fee imposed under subparagraph (A) shall be reduced with respect to securities in an amount equal to any fee paid to the Commission with respect to such securities in connection with the proposed transaction under section 77f(b) of this title, or the fee paid under that section shall be reduced in an amount equal to the fee paid to the Commission in connection with such transaction under this subsection. Where two or more companies involved in an acquisition, merger, consolidation, sale, or other disposition of substantially all the assets of a com-

pany must file such proxy material with the Commission, each shall pay a proportionate share of such fee.

(2) At the time of filing such preliminary information statement as the Commission may require by rule pursuant to subsection (c) of this section, the issuer shall pay to the Commission the same fee as required for preliminary proxy solicitation material under paragraph (1) of this subsection.

(3) At the time of filing such statement as the Commission may require by rule pursuant to subsection (d)(1) of this section, the person making the filing shall pay to the Commission a fee at a rate that, subject to paragraph (4), is equal to \$92 per \$1,000,000 of the aggregate amount of cash or of the value of securities or other property proposed to be offered. The fee shall be reduced with respect to securities in an amount equal to any fee paid with respect to such securities in connection with the proposed transaction under section 6(b) of the Securities Act of 1933 (15 U.S.C. 77f(b)), or the fee paid under that section shall be reduced in an amount equal to the fee paid to the Commission in connection with such transaction under this subsection.

(4) ANNUAL ADJUSTMENT.—For each fiscal year, the Commission shall by order adjust the rate required by paragraphs (1) and (3) for such fiscal year to a rate that is equal to the rate (expressed in dollars per million) that is applicable under section 6(b) of the Securities Act of 1933 (15 U.S.C. 77f(b)) for such fiscal year.

(5) FEE COLLECTION.—Fees collected pursuant to this subsection for fiscal year 2012 and each fiscal year thereafter shall be deposited and credited as general revenue of the Treasury and shall not be available for obligation.

(6) REVIEW; EFFECTIVE DATE; PUBLICATION.—In exercising its authority under this subsection, the Commission shall not be required to comply with the provisions of section 553 of title 5. An adjusted rate prescribed under paragraph (4) shall be published and take effect in accordance with section 6(b) of the Securities Act of 1933 (15 U.S.C. 77f(b)).

(7) PRO RATA APPLICATION.—The rates per \$1,000,000 required by this subsection shall be applied pro rata to amounts and balances of less than \$1,000,000.

(8) Notwithstanding any other provision of law, the Commission may impose fees, charges, or prices for matters not involving any acquisition, merger, consolidation, sale, or other disposition of assets described in this subsection, as authorized by section 9701 of title 31, or otherwise.

(h) Proxy solicitations and tender offers in connection with limited partnership rollup transactions

(1) Proxy rules to contain special provisions

It shall be unlawful for any person to solicit any proxy, consent, or authorization concerning a limited partnership rollup transaction, or to make any tender offer in furtherance of a limited partnership rollup transaction, unless such transaction is conducted in accordance with rules prescribed by the Commission under subsections (a) and (d) of this section as required by this subsection. Such rules shall—

(A) permit any holder of a security that is the subject of the proposed limited partnership rollup transaction to engage in preliminary communications for the purpose of determining whether to solicit proxies, consents, or authorizations in opposition to the proposed limited partnership rollup transaction, without regard to whether any such communication would otherwise be considered a solicitation of proxies, and without being required to file soliciting material with the Commission prior to making that determination, except that—

(i) nothing in this subparagraph shall be construed to limit the application of any provision of this chapter prohibiting, or reasonably designed to prevent, fraudulent, deceptive, or manipulative acts or practices under this chapter; and

(ii) any holder of not less than 5 percent of the outstanding securities that are the subject of the proposed limited partnership rollup transaction who engages in the business of buying and selling limited partnership interests in the secondary market shall be required to disclose such ownership interests and any potential conflicts of interests in such preliminary communications;

(B) require the issuer to provide to holders of the securities that are the subject of the limited partnership rollup transaction such list of the holders of the issuer's securities as the Commission may determine in such form and subject to such terms and conditions as the Commission may specify;

(C) prohibit compensating any person soliciting proxies, consents, or authorizations directly from security holders concerning such a limited partnership rollup transaction—

(i) on the basis of whether the solicited proxy, consent, or authorization either approves or disapproves the proposed limited partnership rollup transaction; or

(ii) contingent on the approval, disapproval, or completion of the limited partnership rollup transaction;

(D) set forth disclosure requirements for soliciting material distributed in connection with a limited partnership rollup transaction, including requirements for clear, concise, and comprehensible disclosure with respect to—

(i) any changes in the business plan, voting rights, form of ownership interest, or the compensation of the general partner in the proposed limited partnership rollup transaction from each of the original limited partnerships;

(ii) the conflicts of interest, if any, of the general partner;

(iii) whether it is expected that there will be a significant difference between the exchange values of the limited partnerships and the trading price of the securities to be issued in the limited partnership rollup transaction;

(iv) the valuation of the limited partnerships and the method used to determine

the value of the interests of the limited partners to be exchanged for the securities in the limited partnership rollup transaction;

(v) the differing risks and effects of the limited partnership rollup transaction for investors in different limited partnerships proposed to be included, and the risks and effects of completing the limited partnership rollup transaction with less than all limited partnerships;

(vi) the statement by the general partner required under subparagraph (E);

(vii) such other matters deemed necessary or appropriate by the Commission;

(E) require a statement by the general partner as to whether the proposed limited partnership rollup transaction is fair or unfair to investors in each limited partnership, a discussion of the basis for that conclusion, and an evaluation and a description by the general partner of alternatives to the limited partnership rollup transaction, such as liquidation;

(F) provide that, if the general partner or sponsor has obtained any opinion (other than an opinion of counsel), appraisal, or report that is prepared by an outside party and that is materially related to the limited partnership rollup transaction, such soliciting materials shall contain or be accompanied by clear, concise, and comprehensible disclosure with respect to—

(i) the analysis of the transaction, scope of review, preparation of the opinion, and basis for and methods of arriving at conclusions, and any representations and undertakings with respect thereto;

(ii) the identity and qualifications of the person who prepared the opinion, the method of selection of such person, and any material past, existing, or contemplated relationships between the person or any of its affiliates and the general partner, sponsor, successor, or any other affiliate;

(iii) any compensation of the preparer of such opinion, appraisal, or report that is contingent on the transaction's approval or completion; and

(iv) any limitations imposed by the issuer on the access afforded to such preparer to the issuer's personnel, premises, and relevant books and records;

(G) provide that, if the general partner or sponsor has obtained any opinion, appraisal, or report as described in subparagraph (F) from any person whose compensation is contingent on the transaction's approval or completion or who has not been given access by the issuer to its personnel and premises and relevant books and records, the general partner or sponsor shall state the reasons therefor;

(H) provide that, if the general partner or sponsor has not obtained any opinion on the fairness of the proposed limited partnership rollup transaction to investors in each of the affected partnerships, such soliciting materials shall contain or be accompanied by a

statement of such partner's or sponsor's reasons for concluding that such an opinion is not necessary in order to permit the limited partners to make an informed decision on the proposed transaction;

(I) require that the soliciting material include a clear, concise, and comprehensible summary of the limited partnership rollup transaction (including a summary of the matters referred to in clauses (i) through (vii) of subparagraph (D) and a summary of the matter referred to in subparagraphs (F), (G), and (H)), with the risks of the limited partnership rollup transaction set forth prominently in the fore part thereof;

(J) provide that any solicitation or offering period with respect to any proxy solicitation, tender offer, or information statement in a limited partnership rollup transaction shall be for not less than the lesser of 60 calendar days or the maximum number of days permitted under applicable State law; and

(K) contain such other provisions as the Commission determines to be necessary or appropriate for the protection of investors in limited partnership rollup transactions.

(2) Exemptions

The Commission may, consistent with the public interest, the protection of investors, and the purposes of this chapter, exempt by rule or order any security or class of securities, any transaction or class of transactions, or any person or class of persons, in whole or in part, conditionally or unconditionally, from the requirements imposed pursuant to paragraph (1) or from the definition contained in paragraph (4).

(3) Effect on Commission authority

Nothing in this subsection limits the authority of the Commission under subsection (a) or (d) of this section or any other provision of this chapter or precludes the Commission from imposing, under subsection (a) or (d) of this section or any other provision of this chapter, a remedy or procedure required to be imposed under this subsection.

(4) "Limited partnership rollup transaction" defined

Except as provided in paragraph (5), as used in this subsection, the term "limited partnership rollup transaction" means a transaction involving the combination or reorganization of one or more limited partnerships, directly or indirectly, in which—

to a significant adverse change with respect to voting rights, the term of existence of the entity, management compensation, or investment objectives; and

(D) any of such investors are not provided an option to receive or retain a security under substantially the same terms and conditions as the original issue.

(5) Exclusions from definition

Notwithstanding paragraph (4), the term “limited partnership rollup transaction” does not include—

(i) such action is approved by not less than 66⅔ percent of the outstanding units of each of the participating limited partnerships; and

(ii) as a result of the transaction, the existing general partners will receive only compensation to which they are entitled as expressly provided for in the preexisting limited partnership agreements; or
