“(1) by the Source Evaluation Board for Civil Space Remote Sensing as established by the Secretary of Commerce to develop or issue a request for proposal to transfer the ownership or lease the use of any meteorological satellite (METSAT) or associated ground system to any private entity; or

“(2) by the National Oceanic and Atmospheric Administration to transfer the ownership of any meteorological satellite (METSAT) or associated ground system to any private entity.”

CIVIL LAND REMOTE SENSING SATELLITE SYSTEM; TERMINATION

Pub. L. 98-52, title II, § 202, July 15, 1983, 97 Stat. 285, as amended by Pub. L. 103-437, § 5(b)(1), Nov. 2, 1994, 108 Stat. 4582, provided that: “Notwithstanding title II of the National Aeronautics and Space Administration Authorization Act, 1983 [Pub. L. 97-324, set out as a note below], the Secretary of Commerce shall not transfer the ownership or management of any civil land, meteorological, or ocean remote sensing space satellite system and associated ground system equipment unless, in addition to any other requirement of law—

“(1) the Secretary of Commerce or his designee has presented, in writing, to the Speaker of the House of Representatives and the President of the Senate, and to the Committee on Science, Space, and Technology of the House of Representatives and the Committee on Commerce, Science, and Transportation of the

Senate, a comprehensive statement of recommended policies, procedures, conditions, and limitations to which any transfer should be subject; and

“(2) the Congress thereafter enacts a law which contains such policies, procedures, conditions, or limitations (or a combination thereof) as it deems appropriate for any such transfer.”

Pub. L. 97-324, title II, §201, Oct. 15, 1982, 96 Stat. 1601, as amended by Pub. L. 98-365, title VI, §608, July 17, 1984, 98 Stat. 466; Pub. L. 103-437, §5(b)(2), Nov. 2, 1994, 108 Stat. 4582, provided that:

“(a) The Secretary of Commerce is authorized to plan and provide for the management and operation of civil remote-sensing space systems, which may include the Landsat 4 and 5 satellites and associated ground system equipment transferred from the National Aeronautics and Space Administration; to provide for user fees; and to plan for the transfer of the operation of civil remote-sensing space systems to the private sector when in the national interest.

“(b)(1) As part of his planning for the transfer of the ownership and operation of civil operational land remote sensing satellite systems to the private sector the Secretary shall—

“(A) Conduct a study to define the current, projected, and potential needs of the government for land remote sensing data.

“(B) Determine and describe the equipment, software, and data inventory that could be transferred to the private sector.

“(C) Compare various feasible financial and organizational approaches for such a transfer. Criteria for the comparison should include considerations such as: maintenance of data continuity; maintenance of United States leadership; national security; international obligations; potential for market growth; marketing ability; sunk and projected cost to the Government; independence of subsidy or financial guarantee from the Government; potential of financial return to the Government; and price of data to users. The following institutional alternatives should be compared: (i) wholly private ownership and operation of the system by an entity competitively selected; (ii) phased-in Government/private ownership and operation; (iii) a legislatively chartered privately owned corporation; and (iv) continued ownership and operation by the Federal Government.

The Secretary shall complete these studies and report on them to the Congress by February 1, 1983.

“(2) In addition to the studies and comparisons called for in section 201(b)(1) the Secretary shall fund at least two parallel studies outside the government independently to assess the alternatives called for in section 201(b)(1)(C). These studies should be submitted to the Congress by April 1, 1983.

“(c) There is authorized to be appropriated \$14,955,000 for the fiscal year 1983, for the purpose of carrying out the provisions of this title [this note].

“(d) No moneys authorized by this title [this note] shall be used to transfer to the private sector the ownership or management of any civil land remote sensing space satellite system and associated ground system equipment unless (A) a period of thirty days has passed after the receipt by the Speaker of the House of Representatives, the President of the Senate, the House Committee on Science, Space, and Technology, and the Senate Committee on Commerce, Science, and Transportation, of a message from the Secretary of Commerce or his designee containing a full and complete plan for the action proposed to be taken together with the reasons therefor and expected funding impacts, or (B) each such committee before the expiration of such period has transmitted to the Secretary written notice to the effect that such committee has no objection to the proposed action.”

EX. ORD. NO. 11564. TRANSFER OF CERTAIN PROGRAMS AND ACTIVITIES TO SECRETARY OF COMMERCE

Ex. Ord. No. 11564, Oct. 6, 1970, 35 F.R. 15801, provided: By virtue of the authority vested in me by section 12 of the Act of February 14, 1903, as amended (15 U.S.C.

1517) [this section] and section 12(d) of the Act of October 15, 1966 (49 U.S.C. 1651 note), as President of the United States, and in further implementation of Reorganization Plan No. 4 of 1970 [set out as a note under section 1511 of this title] transferring certain functions to the Secretary of Commerce and establishing the National Oceanic and Atmospheric Administration in the Department of Commerce, it is ordered as follows:

SECTION 1. (a) The following programs and activities are hereby transferred to the Secretary of Commerce:

(1) The National Oceanographic Instrumentation Center of the Department of the Navy, Department of Defense.

(2) The National Oceanographic Data Center of the Department of the Navy, Department of Defense.

(3) The Ocean Station Vessel Meteorological Program of the Department of the Navy, Department of Defense.

(4) The Trust Territories Upper Air Observation Program of the Department of the Navy, Department of Defense.

(5) The Hydroclimatic Network Program of the Corps of Engineers of the Department of the Army, Department of Defense.

(6) The National Data Buoy Development Project of the Coast Guard, Department of Transportation.

(b) All of the power and authority of the transferor Departments conferred by law which is related to or incidental to, in support of, or necessary for, the operation of the programs and activities transferred by subsection (a) above, may be utilized by the Secretary of Commerce for the operation of those programs and activities.

SEC. 2. (a) Such personnel and positions and so much of the property, records, and unexpended balances of appropriations, allocations, and other funds employed, used, held, authorized, affected, available, or to be made available in connection with the operation of the programs and activities transferred by section 1 hereof from the Department of Defense and the Department of Transportation as the Director of the Office of Management and Budget shall determine shall be transferred from those Departments to the Department of Commerce at such time or times as the Director shall direct.

(b) Subject to the direction of the Director of the Office of Management and Budget, the appropriate officers of the Government shall make necessary administrative arrangements for the assumption by the Secretary of Commerce of the programs and activities so transferred.

RICHARD NIXON.

§ 1518. Custody of buildings; officers transferred

The Secretary of Commerce shall have charge, in the buildings or premises occupied by or appropriated to the Department of Commerce, of the library, furniture, fixtures, records, and other property pertaining to it or acquired for use in its business; and he shall be allowed to expend for periodicals and the purposes of the library, and for the rental of appropriate quarters for the accommodation of the Department of Commerce within the District of Columbia, and for all other incidental expenses, such sums as Congress may provide from time to time. Where any office, bureau, or branch of the public service transferred to the Department of Commerce is occupying rented buildings or premises, it may still continue to do so until other suitable quarters are provided for its use. All officers, clerks, and employees employed on February 14, 1903, in or by any of the bureaus, offices, departments, or branches of the public service transferred to the Department of Commerce are each and all transferred to said department, except where otherwise provided by law. All laws pre-
