§ 2225a. Prohibiting Federal funding of conferences held at non-certified places of public accommodation

(a) In general

No Federal funds may be used to sponsor or fund in whole or in part a meeting, convention, conference, or training seminar that is conducted in, or that otherwise uses the rooms, facilities, or services of, a place of public accommodation that does not meet the requirements of the fire prevention and control guidelines described in section 2225 of this title.

(b) Waiver

(1) In general

The head of an agency of the Federal Government sponsoring or funding a particular meeting, convention, conference, or training seminar may waive the prohibition described in subsection (a) of this section if the head of such agency determines that a waiver of such prohibition is necessary in the public interest in the case of such particular event.

(2) Delegation of authority

The head of an agency of the Federal Government may delegate the authority provided under paragraph (1) to waive the prohibition described in subsection (a) of this section and to determine whether such a waiver is necessary in the public interest to an officer or

employee of the agency if such officer or employee is given such authority with respect to all meetings, conventions, conferences, and training seminars sponsored or funded by the agency.

(c) Notice requirements

(1) Advertisements and applications

(A) Any advertisement for or application for attendance at a meeting, convention, conference, or training seminar sponsored or funded in whole or in part by the Federal Government shall include a notice regarding the prohibition described in subsection (a) of this section.

(B) The requirement described in subparagraph (A) shall not apply in the case of an event for which a head of an agency of the Federal Government, pursuant to subsection (b) of this section, waives the prohibition described in subsection (a) of this section.

(2) Providing notice to recipients of funds

(A) Each Executive department, Government corporation, and independent establishment providing Federal funds to non-Federal entities shall notify recipients of such funds of the prohibition described in subsection (a) of this section.

(B) In subparagraph (A), the terms “Executive department”, “Government corporation”, and “independent establishment” have the meanings given such terms in chapter 1 of title 5.

(d) Effective date

The provisions of this section shall take effect on the first day of the first fiscal year that begins after the expiration of the 425-day period that begins on the date of the publication in the Federal Register of the master list referred to in section 2224(b) of this title.

(Pub. L. 101-391, §6, Sept. 25, 1990, 104 Stat. 751.)

CODIFICATION

Section was enacted as part of the Hotel and Motel Fire Safety Act of 1990, and not as part of the Federal Fire Prevention and Control Act of 1974 which comprises this chapter.

§ 2226. Dissemination of fire prevention and control information

The Administrator of FEMA, acting through the Administrator, is authorized to take steps to encourage the States to promote the use of automatic sprinkler systems and automatic smoke detection systems, and to disseminate to the maximum extent possible information on the life safety value and use of such systems. Such steps may include, but need not be limited to, providing copies of the guidelines described in section 2225 of this title and of the master list compiled under section 2224(b) of this title to Federal agencies, State and local governments, and fire services throughout the United States, and making copies of the master list compiled under section 2224(b) of this title available upon request to interested private organizations and individuals.

(Pub. L. 93-498, §30, as added Pub. L. 101-391, §3(a), Sept. 25, 1990, 104 Stat. 748; amended Pub.

L. 112-239, div. A, title XVIII, §1802(b)(1), Jan. 2, 2013, 126 Stat. 2100.)

AMENDMENTS

2013—Pub. L. 112-239 substituted “Administrator of FEMA” for “Director”.

TRANSFER OF FUNCTIONS

For transfer of all functions, personnel, assets, components, authorities, grant programs, and liabilities of the Federal Emergency Management Agency, including the functions of the Under Secretary for Federal Emergency Management relating thereto, to the Federal Emergency Management Agency, see section 315(a)(1) of Title 6, Domestic Security.

For transfer of functions, personnel, assets, and liabilities of the Federal Emergency Management Agency, including the functions of the Director of the Federal Emergency Management Agency relating thereto, to the Secretary of Homeland Security, and for treatment of related references, see former section 313(1) and sections 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

§ 2227. Fire safety systems in federally assisted buildings

(a) Definitions

For purposes of this section, the following definitions apply:

(1) The term “affordable cost” means the cost to a Federal agency of leasing office space in a building that is protected by an automatic sprinkler system or equivalent level of safety, which cost is no more than 10 percent greater than the cost of leasing available comparable office space in a building that is not so protected.

(2) The term “automatic sprinkler system” means an electronically supervised, integrated system of piping to which sprinklers are attached in a systematic pattern, and which, when activated by heat from a fire—

(A) will protect human lives by discharging water over the fire area, in accordance with the National Fire Protection Association Standard 13, 13D, or 13R, whichever is appropriate for the type of building and occupancy being protected, or any successor standard thereto; and

(B) includes an alarm signaling system with appropriate warning signals (to the extent such alarm systems and warning signals are required by Federal, State, or local laws or regulations) installed in accordance with the National Fire Protection Association Standard 72, or any successor standard thereto.

(3) The term “equivalent level of safety” means an alternative design or system (which may include automatic sprinkler systems), based upon fire protection engineering analysis, which achieves a level of safety equal to or greater than that provided by automatic sprinkler systems.

(4) The term “Federal employee office building” means any office building in the United States, whether owned or leased by the Federal Government, that is regularly occupied by more than 25 full-time Federal employees in the course of their employment.

(5) The term “housing assistance”—

(A) means assistance provided by the Federal Government to be used in connection with the provision of housing,¹ that is provided in the form of a grant, contract, loan, loan guarantee, cooperative agreement, interest subsidy, insurance, or direct appropriation; and

(B) does not include assistance provided by the Secretary of Veterans Affairs; the Federal Emergency Management Agency; the Secretary of Housing and Urban Development under the single family mortgage insurance programs under the National Housing Act [12 U.S.C. 1701 et seq.] or the homeownership assistance program under section 235 of such Act [12 U.S.C. 1715z]; the National Homeownership Trust; the Federal Deposit Insurance Corporation under the affordable housing program under section 1831q of title 12; or the Resolution Trust Corporation under the affordable housing program under section 1441a(c)² of title 12.

(6) The term “hazardous areas” means those areas in a building referred to as hazardous areas in National Fire Protection Association Standard 101, known as the Life Safety Code, or any successor standard thereto.

(7) The term “multifamily property” means—

(A) in the case of housing for Federal employees or their dependents, a residential building consisting of more than 2 residential units that are under one roof; and

(B) in any other case, a residential building consisting of more than 4 residential units that are under one roof.

(8) The term “prefire plan” means specific plans for fire fighting activities at a property or location.

(9) The term “rebuilding” means the repairing or reconstructing of portions of a multifamily property where the cost of the alterations is 70 percent or more of the replacement cost of the completed multifamily property, not including the value of the land on which the multifamily property is located.

(10) The term “renovated” means the repairing or reconstructing of 50 percent or more of the current value of a Federal employee office building, not including the value of the land on which the Federal employee office building is located.

(11) The term “smoke detectors” means single or multiple station, self-contained alarm devices designed to respond to the presence of visible or invisible particles of combustion, installed in accordance with the National Fire Protection Association Standard 74 or any successor standard thereto.

(12) The term “United States” means the States collectively.

(b) Federal employee office buildings

(1)(A) No Federal funds may be used for the construction or purchase of a Federal employee office building of 6 or more stories unless during
