Timber harvesting is authorized to provide for visitor safety.

(3) By virtue of this designation alone, the Secretary need not change patterns of public access or closure on existing permanent national forest development roads. At his discretion, however, the Secretary may open or close such existing roads for public use for reasons of sound resource management.

(4) Nothing in this section shall prevent the completion of existing timber sales under contract.

(5) The scenic area is hereby withdrawn from the operation of all laws pertaining to mineral leasing.

(6) The Secretary may also permit, in his discretion, the continued maintenance of existing wildlife openings, in cooperation with the State of Georgia and other Federal, State, and private cooperators, and may permit new wildlife openings in furtherance of the purposes for which the scenic area is established.
