"(a) IN GENERAL.—The Secretary of the Interior may issue right-of-way permits for each natural gas pipeline (including all appurtenances used in the operation of the natural gas pipeline) that, as of March 1, 2012, is located within the boundary of Glacier National Park.

"(b) TERMS AND CONDITIONS.—A permit issued under subsection (a) shall be—

"(1) issued as a right-of-way renewal, consistent with laws (including regulations) generally applicable to utility rights-of-way within units of the National Park System;

"(2) for a width of not more than 25 feet on either side of the centerline of the natural gas pipeline; and

"(3) subject to any terms and conditions that the Secretary of the Interior determines to be necessary."

§ 161a. Part of Waterton-Glacier International Peace Park

For the purpose of permanently commemorating the long-existing relationship of peace and

good will existing between the people and Governments of Canada and the United States and upon the enactment by the proper authority of the Canadian Government of a similar provision respecting the Waterton Lakes National Park in the Province of Alberta, and upon the proclamation of the President of the United States, who is authorized to issue such a proclamation, the Glacier National Park in the State of Montana shall become a part of an international park to be known as the Waterton-Glacier International Peace Park.

(May 2, 1932, ch. 157, §1, 47 Stat. 145.)

§ 161b. Designation for purposes of administration, promotion, development, and support

For purposes of administration, promotion, development, and support by appropriations that part of the said Waterton-Glacier International Peace Park within the territory of the United States shall be designated as the Glacier National Park.

(May 2, 1932, ch. 157, §2, 47 Stat. 145.)

§ 161c. Addition of land; establishment of fish hatchery

The Secretary of the Interior is authorized to administer as a part of the Glacier National Park, in the State of Montana, subject to all laws and regulations applicable thereto, the lands, or interests in lands, within the State of Montana, in township 28 north, range 20 west, Montana meridian, which may be acquired by the United States for the establishment by the National Park Service of a fish hatchery for restocking the waters of the said park.

(July 31, 1939, ch. 395, 53 Stat. 1142.)

§ 161d. Elimination of fish hatchery; transfer of administration of hatchery to Fish and Wildlife Service

The property at Creston, Montana, acquired by the United States for the establishment of a fish hatchery for restocking the waters of Glacier National Park and administered as a part of the park pursuant to section 161c of this title, together with the improvements and equipment utilized in connection with the hatchery property, is eliminated from the park.

The functions of the National Park Service with regard to the administration of the aforesaid properties for the benefit of the park are transferred to and shall be exercised by the Fish and Wildlife Service for the same purposes: *Provided, however*, That such fish propagated at the hatchery as may be in excess of the number necessary to restock and maintain an optimum fish population in the waters of the park at all times may be utilized for the restocking of other waters.

(Dec. 13, 1944, ch. 555, 58 Stat. 801.)
