

System, through the use of the hatchery as an outdoor classroom and development of other educational programs; or

(5) contribute financial resources to the hatchery, under the terms that require that the net revenues be used exclusively for the benefit of the hatchery, through donation of net revenues from the sale of educational materials and products and through encouragement of gifts, devises, and bequests.

(b) Treasury account

Amounts received by the Secretary of the Interior as a result of projects and programs under subsection (a) shall be deposited in a separate account in the Treasury. Amounts in the account that are attributable to activities at a particular facility of the System shall be available to the Secretary of the Interior, without further appropriation, to pay the costs of incidental expenses related to volunteer activities, and to carry out cooperative agreements for the hatchery facility.

§ 760aa-4. Hatchery education program development

(a) Guidance

Not later than 1 year after October 16, 2006, the Secretary of the Interior shall develop guidance for the hatchery education programs to further the mission of the System and the purposes of individual hatcheries through—

- (1) providing outdoor classroom opportunities for students on fish hatcheries that combine educational curricula with the personal experiences of students relating to fish, aquatic species, and their habitat, and to the cultural and historical resources of the hatcheries;
- (2) promoting understanding and conservation of fish, aquatic species, and the cultural and historical resources of the hatcheries; and
- (3) improving scientific literacy in conjunction with both formal and nonformal education programs.

(b) Hatchery programs

Based on the guidance developed under subsection (a), the Secretary of the Interior may, with assistance from the Fish and Wildlife Management Assistance Program, develop or enhance hatchery educational programs as appropriate, based on the resources of individual hatcheries and the opportunities available for such programs in State, local, and private schools. In developing and implementing each program, the Secretary should cooperate with State and local education authorities, and may cooperate with partner organizations in accordance with subsection (d).¹
