Any moneys realized on account of donations for purposes of this Act shall be covered into the Treasury as trust funds.

(b) Terms of contracts; qualifications of applicants; prohibited disposals

Contracts, exchanges, and leases made under this section shall be on terms that, in the Secretary's judgment, are in keeping with sound project development. In addition, land sale and exchange contracts shall be on a basis that, in the Secretary's judgment, provides for the return, in a reasonable period of years, of not less than the appraised value of the land and improvements thereon.
