

tered by the Secretary or by a State or local subdivision thereof, or whether such land or water area may be protected adequately through local, State, or Federal laws or other methods without Federal land acquisition or administration.

(c) Report to Congress; recommendations; authorization for acquisition of lands; consultation with States and Federal agencies; accompanying statement of views, probable effects, and major trends

The Secretary of the Interior shall, not later than January 30, 1970, submit to the Congress through the President a report of the study conducted pursuant to this section, together with any legislative recommendations, including recommendations on the feasibility and desirability of establishing a nationwide system of estuarine areas, the terms, conditions, and authorities to govern such system, and the designation and acquisition of any specific estuarine areas of national significance which he believes should be acquired by the United States. No lands within such area may be acquired until authorized by subsequent Act of Congress. Recommendations made by the Secretary for the acquisition of any estuarine area shall be developed in consultation with the States, municipalities, and other interested Federal agencies. Each such recommendation shall be accompanied by (1) expressions of any views which the interested States, municipalities, and other Federal agencies and river basin commissions may submit within sixty days after having been notified of the proposed recommendations, (2) a statement setting forth the probable effect of the recommended action on any comprehensive river basin plan that may have been adopted by Congress or that is serving as a guide for coordinating Federal programs in the basin wherein such area is located, (3) in the absence of such a plan, a statement indicating the probable effect of the recommended action on alternative beneficial users of the resources of the proposed estuarine area, and (4) a discussion of the major economic, social, and ecological trends occurring in such area.

(d) Authorization of appropriations

There is authorized to be appropriated not to exceed \$250,000 for fiscal year 1969 and \$250,000 for fiscal year 1970 to carry out the provisions of this section. Such sums shall be available until expended.

(Pub. L. 90-454, § 2, Aug. 3, 1968, 82 Stat. 626.)

REFERENCES IN TEXT

Section 5(g) of the Federal Water Pollution Control Act, as amended, referred to in text, was originally classified to section 466c(g) of Title 33, Navigation and Navigable Waters. Section 5(g) of the Act was redesignated as section 5(m) by sec. 105(l) of Pub. L. 91-224, Apr. 3, 1970, 84 Stat. 111, and was reclassified to section 1155(m) of Title 33. The Federal Water Pollution Control Act was amended generally by sec. 2 of Pub. L. 92-500, Oct. 18, 1972, 86 Stat. 816, and the provisions relating to comprehensive estuarine pollution study are contained in section 104(n), which is classified to section 1254(n) of Title 33.

§ 1223. Agreements with States and subdivisions; equitable sharing of costs; development improvements; availability of appropriations; State hunting and fishing laws applicable

After the completion of the general study authorized by section 1222 of this title, the Secretary of the Interior, with the approval of the President, may enter into an agreement, containing such terms and conditions as are mutually acceptable, with any State or with a political subdivision or agency thereof (if the agreement with such subdivision or agency is first approved by the Governor of the State involved or by a State agency designated for that purpose) for the permanent management, development, and administration of any area, land, or interests therein within an estuary and adjacent lands which are owned or thereafter acquired by a State or by any political subdivision thereof: *Provided*, That, with the approval of the Governor of the State involved or of a State agency designated for that purpose, the Secretary may also enter into such an agreement for any particular area whenever the segment of the general study applicable to that area is completed subject to the provisions of subsections (a) and (b) of section 1222 of this title. Such agreement shall, among other things, provide that the State or a political subdivision or agency thereof and the Secretary shall share in an equitable manner in the cost of managing, administering, and developing such areas, and such development may include the construction, operation, installation, and maintenance of buildings, devices, structures, recreational facilities, access roads, and other improvements, and such agreement shall be subject to the availability of appropriations. State hunting and fishing laws and regulations shall be applicable to such areas to the extent they are now or hereafter applicable.

(Pub. L. 90-454, § 3, Aug. 3, 1968, 82 Stat. 627.)

§ 1224. Commercial and industrial development considerations; reports to Congress; recommendations

In planning for the use or development of water and land resources, all Federal agencies shall give consideration to estuaries and their natural resources, and their importance for commercial and industrial developments, and all project plans and reports affecting such estuaries and resources submitted to the Congress shall contain a discussion by the Secretary of the Interior of such estuaries and such resources and the effects of the project on them and his recommendations thereon. The Secretary of the Interior shall make his recommendations within ninety days after receipt of such plans and reports.

(Pub. L. 90-454, § 4, Aug. 3, 1968, 82 Stat. 627.)

§ 1225. State consideration of protection and restoration of estuaries in State comprehensive planning and proposals for financial assistance under certain Federal laws; grants; terms and conditions, prohibition against disposition of lands without approval of the Secretary

The Secretary of the Interior shall encourage States and local subdivisions thereof to con-
