

Subsec. (f)(2)(B), (C). Pub. L. 95-632, §11(4)(B), (C), added subpar. (B), redesignated former subpar. (B) as (C), and as so redesignated, substituted “Neither subparagraph (A) or (B)” for “Neither subparagraph (A)”.

Subsec. (f)(3). Pub. L. 95-632, §13, substituted “a summary by the Secretary of the data on which such regulation is based and shall show the relationship of such data to such regulations” for “a statement by the Secretary of the facts on which such regulation is based and the relationship of such facts to such regulation”.

Subsec. (f)(4), (5). Pub. L. 95-632, §11(4)(D), added pars. (4) and (5).

Subsec. (g). Pub. L. 95-632, §11(5), added subsec. (g).

1976—Subsec. (f)(2)(B)(ii). Pub. L. 94-359 substituted “subsection (b)(1)(A)” for “subsection (b)(A), (B), and (C)”.

EFFECTIVE DATE OF 1982 AMENDMENT

Pub. L. 97-304, §2(b), Oct. 13, 1982, 96 Stat. 1416, provided that:

“(1) Any petition filed under section 4(c)(2) of the Endangered Species Act of 1973 [subsec. (c)(2) of this section] (as in effect on the day before the date of the enactment of this Act [Oct. 13, 1982]) and any regulation proposed under section 4(f) of such Act of 1973 [subsec. (f) of this section] (as in effect on such day) that is pending on such date of enactment [Oct. 13, 1982] shall be treated as having been filed or proposed on such date of enactment under section 4(b) of such Act of 1973 [subsec. (b) of this section] (as amended by subsection (a)); and the procedural requirements specified in such section 4(b) [subsec. (b) of this section] (as so amended) regarding such petition or proposed regulation shall be deemed to be complied with to the extent that like requirements under such section 4 [this section] (as in effect before the date of the enactment of this Act) were complied with before such date of enactment.

“(2) Any regulation proposed after, or pending on, the date of the enactment of this Act [Oct. 13, 1982] to designate critical habitat for a species that was determined before such date of enactment to be endangered or threatened shall be subject to the procedures set forth in section 4 of such Act of 1973 [this section] (as amended by subsection (a)) for regulations proposing revisions to critical habitat instead of those for regulations proposing the designation of critical habitat.

“(3) Any list of endangered species or threatened species (as in effect under section 4(c) of such Act of 1973 [subsec. (c) of this section] on the day before the date of the enactment of this Act [Oct. 13, 1982]) shall remain in effect unless and until determinations regarding species and designations and revisions of critical habitats that require changes to such list are made in accordance with subsection (b)(5) of such Act of 1973 [subsec. (b)(5) of this section] (as added by subsection (a)).

“(4) Section 4(a)(3)(A) of such Act of 1973 [subsec. (a)(3)(A) of this section] (as added by subsection (a)) shall not apply with respect to any species which was listed as an endangered species or a threatened species before November 10, 1978.”

ABOLITION OF HOUSE COMMITTEE ON MERCHANT MARINE AND FISHERIES

Committee on Merchant Marine and Fisheries of House of Representatives abolished and its jurisdiction transferred by House Resolution No. 6, One Hundred Fourth Congress, Jan. 4, 1995. Committee on Merchant Marine and Fisheries of House of Representatives treated as referring to Committee on Resources of House of Representatives in case of provisions relating to fisheries, wildlife, international fishing agreements, marine affairs (including coastal zone management) except for measures relating to oil and other pollution of navigable waters, or oceanography by section 1(b)(3) of Pub. L. 104-14, set out as a note preceding section 21 of Title 2, The Congress. Committee on Resources of House of Representatives changed to Committee on Natural Resources of House of Representatives by

House Resolution No. 6, One Hundred Tenth Congress, Jan. 5, 2007.

§ 1534. Land acquisition

(a) Implementation of conservation program; authorization of Secretary and Secretary of Agriculture

The Secretary, and the Secretary of Agriculture with respect to the National Forest System, shall establish and implement a program to conserve fish, wildlife, and plants, including those which are listed as endangered species or threatened species pursuant to section 1533 of this title. To carry out such a program, the appropriate Secretary—

(1) shall utilize the land acquisition and other authority under the Fish and Wildlife Act of 1956, as amended [16 U.S.C. 742a et seq.], the Fish and Wildlife Coordination Act, as amended [16 U.S.C. 661 et seq.], and the Migratory Bird Conservation Act [16 U.S.C. 715 et seq.], as appropriate; and

(2) is authorized to acquire by purchase, donation, or otherwise, lands, waters, or interest therein, and such authority shall be in addition to any other land acquisition authority vested in him.

(b) Availability of funds for acquisition of lands, waters, etc.

Funds made available pursuant to the Land and Water Conservation Fund Act of 1965, as amended [16 U.S.C. 4601-4 et seq.], may be used for the purpose of acquiring lands, waters, or interests therein under subsection (a) of this section.

AMENDMENTS

1978—Subsec. (a). Pub. L. 95-632, among other changes in text preceding par. (1), inserted reference to the Secretary of Agriculture with respect to the National Forest System and substituted the establishment and implementation of a plan to conserve plants for the establishment and implementation of a plan to conserve

plants which were concluded in Appendices to the Convention.

§ 1535. Cooperation with States

(a) Generally

In carrying out the program authorized by this chapter, the Secretary shall cooperate to the maximum extent practicable with the States. Such cooperation shall include consultation with the States concerned before acquiring any land or water, or interest therein, for the purpose of conserving any endangered species or threatened species.

(b) Management agreements

The Secretary may enter into agreements with any State for the administration and management of any area established for the conservation of endangered species or threatened species. Any revenues derived from the administration of such areas under these agreements shall be subject to the provisions of section 715 of this title.

(c) Cooperative agreements

(1) In furtherance of the purposes of this chapter, the Secretary is authorized to enter into a cooperative agreement in accordance with this section with any State which establishes and maintains an adequate and active program for the conservation of endangered species and threatened species. Within one hundred and twenty days after the Secretary receives a certified copy of such a proposed State program, he shall make a determination whether such program is in accordance with this chapter. Unless he determines, pursuant to this paragraph, that the State program is not in accordance with this chapter, he shall enter into a cooperative agreement with the State for the purpose of assisting in implementation of the State program. In order for a State program to be deemed an adequate and active program for the conservation of endangered species and threatened species, the Secretary must find, and annually thereafter reconfirm such finding, that under the State program—

(A) authority resides in the State agency to conserve resident species of fish or wildlife determined by the State agency or the Secretary to be endangered or threatened;

(B) the State agency has established acceptable conservation programs, consistent with the purposes and policies of this chapter, for all resident species of fish or wildlife in the State which are deemed by the Secretary to be endangered or threatened, and has furnished a copy of such plan and program together with all pertinent details, information, and data requested to the Secretary;

(C) the State agency is authorized to conduct investigations to determine the status and requirements for survival of resident species of fish and wildlife;

(D) the State agency is authorized to establish programs, including the acquisition of land or aquatic habitat or interests therein, for the conservation of resident endangered or threatened species of fish or wildlife; and

(E) provision is made for public participation in designating resident species of fish or wildlife as endangered or threatened; or

that under the State program—

(i) the requirements set forth in subparagraphs (C), (D), and (E) of this paragraph are complied with, and

(ii) plans are included under which immediate attention will be given to those resident species of fish and wildlife which are determined by the Secretary or the State agency to be endangered or threatened and which the Secretary and the State agency agree are most urgently in need of conservation programs; except that a cooperative agreement entered into with a State whose program is deemed adequate and active pursuant to clause (i) and this clause shall not affect the applicability of prohibitions set forth in or authorized pursuant to section 1533(d) of this title or section 1538(a)(1) of this title with respect to the taking of any resident endangered or threatened species.

(2) In furtherance of the purposes of this chapter the Secretary is authorized to enter into a cooperative agreement in accordance with this section with any State which establishes and maintains an adequate and active program for the conservation of endangered species and threatened species of plants. Within one hundred and twenty days after the Secretary receives a certified copy of such a proposed State program, he shall make a determination whether such program is in accordance with this chapter. Unless he determines, pursuant to this paragraph, that the State program is not in accordance with this chapter, he shall enter into a cooperative agreement with the State for the purpose of assisting in implementation of the State program. In order for a State program to be deemed an adequate and active program for the conservation of endangered species of plants and threatened species of plants, the Secretary must find, and annually thereafter reconfirm such finding, that under the State program—

(A) authority resides in the State agency to conserve resident species of plants determined by the State agency or the Secretary to be endangered or threatened;

(B) the State agency has established acceptable conservation programs, consistent with the purposes and policies of this chapter, for all resident species of plants in the State which are deemed by the Secretary to be endangered or threatened, and has furnished a copy of such plan and program together with all pertinent details, information, and data requested to the Secretary;

(C) the State agency is authorized to conduct investigations to determine the status and requirements for survival of resident species of plants; and

(D) provision is made for public participation in designating resident species of plants as endangered or threatened; or

that under the State program—

(i) the requirements set forth in subparagraphs (C) and (D) of this paragraph are complied with, and

(ii) plans are included under which immediate attention will be given to those resident species of plants which are determined by the Secretary or the State agency to be endan-
