

essing quotas under the Program. The Secretary may revoke any individual processing quota held by any person found to have violated a provision of the antitrust laws of the United States.

(7) An individual processing quota issued under the Program shall be considered a permit for the purposes of sections 1857, 1858, and 1859 of this title, and may be revoked or limited at any time in accordance with this chapter. Issuance of an individual processing quota under the program shall not confer any right of compensation to the holder of such individual processing quota if it is revoked or limited and shall not create, or be construed to create, any right, title, or interest in or to any fish before the fish is purchased from an individual fishing quota holder.

(8) The restriction on the collection of economic data in section 1853 of this title shall not apply with respect to any fish processor who is eligible for, or who has received, individual processing quota under the Program. The restriction on the disclosure of information in section 1881a(b)(1) of this title shall not apply when the information is used to determine eligibility for or compliance with an individual processing quota program.

(9) The provisions of sections 1858, 1860, and 1861 of this title shall apply to the processing facilities and fish products of any person holding individual processing quota, and the provisions of subparagraphs (D), (E), and (L) of section 1857(l)<sup>3</sup> of this title shall apply to any facility owned or controlled by a person holding individual processing quota.

1992—Subsec. (b)(2)(E). Pub. L. 102-582 substituted "2 percent, of the unprocessed ex-vessel" for "one percent, of the".

### § 1863. Northwest Atlantic Ocean Fisheries Reinvestment Program

#### (a) Program

(1) Not later than October 1, 1993, the Secretary shall establish a Northwest Atlantic Ocean Fisheries Reinvestment Program for the purposes of—

(A) promoting development of commercial fisheries and markets for underutilized species of the northwest Atlantic Ocean;

(B) developing alternative fishing opportunities for participants in the New England groundfish fishery;

(C) providing technical support and assistance to United States fishermen and fish processors to improve the value-added processing of underutilized species and to make participation in fisheries for underutilized species of the northwest Atlantic Ocean economically viable;

(D) creating new economic opportunities through the improved processing and expanded use of fish waste; and

(E) helping to restore overfished New England groundfish stocks through aquaculture or hatchery programs.

(2) CONSULTATION.—In establishing and implementing the Northwest Fisheries Reinvestment Program, the Secretary shall consult with representatives of the commercial fishing industry, the seafood processing industry, and the academic community (including the National Sea Grant Program).

(3) ACTIVITIES UNDER PROGRAM.—Subject to the availability of appropriations, the Secretary shall award contracts, grants and other financial assistance to United States citizens to carry out the purposes of subsection<sup>1</sup> (1), under the terms and conditions provided in section 713c-3(c) of title 15, except that, in making awards under this section for projects involving participation in fisheries for underutilized species, the Secretary shall give the highest priority to a person who owns or operates a fishing

vessel permitted under this chapter to participate in the New England groundfish fishery who agrees to surrender that permit to the Secretary during the duration of the contract, grant or other assistance.

(4) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated \$5,000,000 for each of fiscal years 1993 through 1999 to carry out the purposes of this section. For fiscal year 1993 no more than \$1,000,000, and for fiscal year 1994 no more than \$2,000,000, of such funds may be provided from monies made available under section 713c-3(b) of title 15.

**(b) Assistance of other agencies**

The Secretary shall actively seek the assistance of other Federal agencies in the development of fisheries for underutilized species of the northwest Atlantic Ocean, including, to the extent permitted by other applicable laws, assistance from the Secretary of Agriculture in including such underutilized species as agricultural commodities in the programs of the Foreign Agricultural Service for which amounts are authorized under the Food, Agriculture, Conservation, and Trade Act of 1990 (Public Law 101-624; 104 Stat. 3359).

**(c) Management plans for underutilized species**

The New England Fishery Management Council, in consultation with other appropriate Councils, shall develop fishery management plans as soon as possible for any underutilized species of the northwest Atlantic Ocean that is not covered under such a plan, in order to prevent overfishing of that species.

**(d) “Underutilized species” defined**

For purposes of this section, the term “underutilized species of the northwest Atlantic Ocean” means any fish species of the northwest Atlantic Ocean that is identified, by the Director of the Northeast Fisheries Center of the National Marine Fisheries Service, as an underutilized species.

AMENDMENTS

1996—Subsec. (a)(4). Pub. L. 104-297 substituted “1999” for “1997”.

**§ 1864. Regional coastal disaster assistance, transition, and recovery program**

**(a) In general**

When there is a catastrophic regional fishery disaster the Secretary may, upon the request of,

and in consultation with, the Governors of affected States, establish a regional economic transition program to provide immediate disaster relief assistance to the fishermen, charter fishing operators, United States fish processors, and owners of related fishery infrastructure affected by the disaster.

**(b) Program components**

**(1) In general**

Subject to the availability of appropriations, the program shall provide funds or other economic assistance to affected entities, or to governmental entities for disbursement to affected entities, for—

(A) meeting immediate regional shoreside fishery infrastructure needs, including processing facilities, cold storage facilities, ice houses, docks, including temporary docks and storage facilities, and other related shoreside fishery support facilities and infrastructure while ensuring that those projects will not result in an increase or replacement of fishing capacity;

(B) financial assistance and job training assistance for fishermen who wish to remain in a fishery in the region that may be temporarily closed as a result of environmental or other effects associated with the disaster;

(C) funding, pursuant to the requirements of section 1861a(b) of this title, to fishermen who are willing to scrap a fishing vessel and permanently surrender permits for fisheries named on that vessel; and

(D) any other activities authorized under section 1861a of this title or section 4107(d) of this title.

**(2) Job training**

Any fisherman who decides to scrap a fishing vessel under the program shall be eligible for job training assistance.

**(3) State participation obligation**

The participation by a State in the program shall be conditioned upon a commitment by the appropriate State entity to ensure that the relevant State fishery meets the requirements of section 1861a(b) of this title to ensure excess capacity does not re-enter the fishery.

**(4) No matching required**

The Secretary may waive the matching requirements of section 1861a of this title, section 4107 of this title, and any other provision of law under which the Federal share of the cost of any activity is limited to less than 100 percent if the Secretary determines that—

(A) no reasonable means are available through which applicants can meet the matching requirement; and

(B) the probable benefit of 100 percent Federal financing outweighs the public interest in imposition of the matching requirement.

**(5) Net revenue limit inapplicable**

Section 4107(d)(3) of this title shall not apply to assistance under this section.

**(c) Regional impact evaluation**

Within 2 months after a catastrophic regional fishery disaster the Secretary shall provide the Governor of each State participating in the pro-
