The Federal reclamation laws, referred to in introductory text, are identified in section 695f of this title.

AMENDMENTS

1978—Pub. L. 95-616 inserted second sentence, including pars. (a) to (d), and struck out prior second sentence which read as follows: "If and when available, such water shall be delivered from the Central Valley project at a charge not to exceed the prevailing charge for class 2 water."

§ 695j. Conformity of water use with California laws; construction of sections 695d to 695j-1

The use of all water furnished by the Secretary of the Interior under sections 695e and 695i of this title shall be subject to and not inconsistent with the laws of the State of California relating to priorities of deliveries and use of water. Nothing contained in sections 695d to 695j-1 of this title shall be construed as an allocation of water.

(Aug. 27, 1954, ch. 1012, §7, 68 Stat. 880.)

§ 695j-1. Conformity of contracts with Federal law through negotiation of amendments

The Secretary is hereby authorized to negotiate amendments to existing contracts to conform said contracts to the provisions of sections 695d to 695j-1 of this title.

(Aug. 27, 1954, ch. 1012, §8, as added Pub. L. 95-616, §10(b), Nov. 8, 1978, 92 Stat. 3115.)

§ 695k. Congressional declaration of policy for preservation of habitat for migratory waterfowl and prevention of depredations on agricultural crops

It is hereby declared to be the policy of the Congress to stabilize the ownership of the land in the Klamath Federal reclamation project, Oregon and California, as well as the administration and management of the Klamath Federal reclamation project and the Tule Lake National Wildlife Refuge, Lower Klamath National Wildlife Refuge, Upper Klamath National Wildlife Refuge, and Clear Lake National Wildlife Refuge, to preserve intact the necessary existing habitat for migratory waterfowl in this vital area of the Pacific flyway, and to prevent depredations of migratory waterfowl on agricultural crops in the Pacific Coast States.

(Pub. L. 88-567, §1, Sept. 2, 1964, 78 Stat. 850.)

§ 695l. Dedication of lands within boundaries of refuges to wildlife conservation; administration of lands for waterfowl management and optimum agricultural use; homestead entry prohibition; inclusion of other public lands; property of the United States

Notwithstanding any other provisions of law, all lands owned by the United States lying within the Executive order boundaries of the Tule Lake National Wildlife Refuge, the Lower Klamath National Wildlife Refuge, the Upper Klamath National Wildlife Refuge, and the Clear Lake Wildlife Refuge are hereby dedicated to wildlife conservation. Such lands shall be administered by the Secretary of the Interior for the major purpose of waterfowl management,

but with full consideration to optimum agricultural use that is consistent therewith. Such lands shall not be opened to homestead entry. The following public lands shall also be included within the boundaries of the area dedicated to wildlife conservation, shall be administered by the Secretary of the Interior for the major purpose of waterfowl management, but with full consideration to optimum agricultural use that is consistent therewith, and shall not be opened to homestead entry: Hanks Marsh, and first form withdrawal lands (approximately one thousand four hundred and forty acres) in Klamath County, Oregon, lying adjacent to Upper Klamath National Wildlife Refuge; White Lake in Klamath County, Oregon, and Siskiyou County, California; and thirteen tracts of land in Siskiyou County, California, lettered as tracts "A", "B", "C", "D", "E", "F", "G", "H", "I", "J", "K", "L", and "N" totaling approximately three thousand two hundred and ninety-two acres, and tract "P" in Modoc County, California, containing about ten acres, all as shown on plate 4 of the report entitled "Plan for Wildlife Use of Federal Lands in the Upper Klamath Basin, Oregon-California," dated April 1956, prepared by the United States Fish and Wildlife Service. All the above lands shall remain permanently the property of the United States.

(Pub. L. 88-567, §2, Sept. 2, 1964, 78 Stat. 850.)

§ 695m. Annual percentage payments of net revenues from leases of Klamath project lands on pro rata basis; limitation on payments; priority of use of net revenues

Subject to conditions hereafter prescribed, and pursuant to such regulations as may be issued by the Secretary, 25 per centum of the net revenues collected during each fiscal year from the leasing of Klamath project reserved Federal lands within the Executive order boundaries of the Lower Klamath National Wildlife Refuge and the Tule Lake National Wildlife Refuge shall be paid annually by the Secretary, without further authorization, for each full fiscal year after September 2, 1964 to the counties in which such refuges are located, such payments to be made on a pro rata basis to each county based upon the refuge acreage in each county: *Provided*, That the total annual payment per acre to each county shall not exceed 50 per centum of the average per acre tax levied on similar lands in private ownership in each county, as determined by the Secretary: *Provided further*, That no such payments shall be made which will reduce the credits or the payments to be made pursuant to contractual obligations of the United States with the Tulelake Irrigation District or the payments to the Klamath Drainage District as full reimbursement for the construction of irrigation facilities within said district, and that the priority of use of the total net revenues collected from the leasing of the lands described in this section shall be (1) to credit or pay from each revenues to the Tulelake Irrigation District the amounts already committed to such payment or credit; (2) to pay from such revenues to the Klamath Drainage District the sum of \$197,315; and (3) to pay from such revenues to the counties the amounts prescribed by this section.

(Pub. L. 88-567, §3, Sept. 2, 1964, 78 Stat. 850.)

§ 695n. Leases of Lower Klamath and Tule Lake National Wildlife Refuge reserved lands; management of other reserved public lands for waterfowl purposes

The Secretary shall, consistent with proper waterfowl management, continue the present pattern of leasing the reserved lands of the Klamath Straits unit, the Southwest Sump, the League of Nations unit, the Henzel lease, and the Frog Pond unit, all within the Executive order boundaries of the Lower Klamath and Tule Lake National Wildlife Refuges and shown in plate 4 of the report entitled "Plan for Wildlife Use of Federal Lands in the Upper Klamath Basin, Oregon-California," dated April 1956. Leases for these lands shall be at a price or prices designed to obtain the maximum lease revenues. The leases shall provide for the growing of grain, forage, and soil-building crops, except that not more than 25 per centum of the total leased lands may be planted to row crops. All other reserved public lands included in section 695l of this title shall continue to be managed by the Secretary for waterfowl purposes, including the growing of agricultural crops by direct planting and sharecrop agreements with local cooperators where necessary.

(Pub. L. 88-567, §4, Sept. 2, 1964, 78 Stat. 851.)

§ 695o. Limitation on reduction of areas by diking or other construction

The areas of sumps 1(a) and 1(b) in the Klamath project lying within the Executive order boundaries of the Tule Lake National Wildlife Refuge shall not be reduced by diking or by any other construction to less than the existing thirteen thousand acres.

(Pub. L. 88-567, §5, Sept. 2, 1964, 78 Stat. 851.)

§ 695p. Regulation of waters to maintain sump levels

In carrying out the obligations of the United States under any migratory bird treaty, the Migratory Bird Treaty Act (40 Stat. 755), as amended [16 U.S.C. 703 et seq.], or the Migratory Bird Conservation Act (45 Stat. 1222), as amended [16 U.S.C. 715 et seq.], waters under the control of the Secretary of the Interior shall be regulated, subject to valid existing rights, to maintain sump levels in the Tule Lake National Wildlife Refuge at levels established by regulations issued by the Secretary pursuant to the contract between the United States and the Tulelake Irrigation District, dated September 10, 1956, or any amendment thereof. Such regulations shall accommodate to the maximum extent practicable waterfowl management needs.

(Pub. L. 88-567, §6, Sept. 2, 1964, 78 Stat. 851.)

§ 696. National Key Deer Refuge; establishment; acquisition of property; exchanges, cash equalization payments; administration

In order to protect and preserve in the national interest the key deer and other wildlife resources in the Florida Keys, the Secretary of the Interior is authorized to acquire by purchase, lease, exchange, and donations, including the use of donated funds, such lands or interests therein in townships 65 and 66 south, ranges 28, 29, and 30 east, Monroe County, Florida, as he shall find to be suitable for the conservation and management of the said key deer and other wildlife: *Provided*, That no lands within a one thousand-foot zone adjacent to either side of United States Highway Numbered 1 in Monroe County shall be acquired for the Key Deer National Wildlife Refuge by condemnation. The Secretary, in the exercise of his exchange authority, may accept title to any non-Federal property in townships 65 and 66 south, ranges 28, 29, and 30 east, Monroe County, Florida, and in exchange therefor convey to the grantor of such property any federally owned property in the State of Florida under his jurisdiction which he classifies as suitable for exchange or other disposal. The values of the properties so exchanged either shall be approximately equal, or if they are not approximately equal the values shall be equalized by the payment of cash to the grantor or to the Secretary as the circumstances require. The properties so acquired shall constitute the National Key Deer Refuge, and shall be administered by the Secretary of the Interior in accordance with the laws and regulations relating to the national wildlife refuges, including, but not limited to, sections 664, 666a, and 666b of this title, relating to the conservation of wildlife, fish, and game.
