

under a service contract, cooperative agreement, or other contractual arrangement with the National Park Service provides transportation to all or a portion of any unit of the National Park System, the Secretary may impose a reasonable and appropriate charge to the public for the use of such transportation services in addition to any admission fee required to be paid. Collection of both the transportation and admission fees may occur at the transportation staging area or any other reasonably convenient location determined by the Secretary. The Secretary may enter into agreements with public or private entities, who qualify to the Secretary's satisfaction, to collect the transportation and admission fee. Such transportation fees collected as per this section shall be retained by the unit of the National Park System at which the transportation fee was collected and the amount retained shall be expended only for costs associated with the transportation systems at the unit where the charge was imposed. **SUBCHAPTER VI—MISCELLANEOUS
PROVISIONS**

§ 6011. United States Park Police

(a) Appointment of task force

Not later than 60 days after November 13, 1998, the Secretary shall appoint a multidisciplinary task force to fully evaluate the shortfalls, needs, and requirements of law enforcement programs in the National Park Service, including a separate analysis for the United States Park Police, which shall include a review of facility repair, rehabilitation, equipment, and communication needs.

(b) Submission of report

Not later than one year after November 13, 1998, the Secretary shall submit to the Committees on Energy and Natural Resources and Appropriations of the United States Senate and the Committees on Resources and Appropriations of the United States House of Representatives a report that includes—

- (1) the findings and recommendations of the task force;
- (2) complete justifications for any recommendations made; and
- (3) a complete description of any adverse impacts that would occur if any need identified in the report is not met.

§ 6101. Findings

Congress finds that—

(1) of the nearly 800 bird species known to occur in the United States, approximately 500 migrate among countries, and the large majority of those species, the neotropical migrants, winter in Latin America and the Caribbean but breed in Canada and the United States;

(2) neotropical migratory bird species provide invaluable environmental, economic, recreational, and aesthetic benefits to the United States, as well as to the Western Hemisphere;

(3)(A) many neotropical migratory bird populations, once considered common, are in decline, and some have declined to the point that their long-term survival in the wild is in jeopardy; and

(B) the primary reason for the decline in the populations of those species is habitat loss and degradation (including pollution and contamination) across the species' range; and

(4)(A) because neotropical migratory birds range across numerous international borders each year, their conservation requires the
