(b) Eligibility

To be eligible for enrollment in the healthy forests reserve program, land shall be—

- (2) private land the enrollment of which will restore, enhance, or otherwise measurably improve the well-being of species that—
 - (A) are not listed as endangered or threatened under section 1533 of this title; but
 - (B) are candidates for such listing, State-listed species, or special concern species.

(c) Other considerations

In enrolling land that satisfies the criteria under subsection (b), the Secretary of Agriculture shall give additional consideration to land the enrollment of which will—

- (2) increase carbon sequestration.

(d) Enrollment by willing owners

The Secretary of Agriculture shall enroll land in the healthy forests reserve program only with the consent of the owner of the land.

(e) Methods of enrollment
