

Words “within the United States” were substituted for “within the jurisdiction” etc., in view of the definition of United States in section 5 of this title.

Mandatory punishment provision was rephrased in the alternative.

Words in subsection (a), referring to title 46, sections 91, 92, and 94, “each of which sections is hereby declared to be and is continued in full force and effect,” were omitted as surplusage.

The conspiracy provision of said section 36 was omitted as covered by section 371 of this title. See reviser’s note under that section.

The final paragraph of the revised section was added on advice of the Treasury Department, to conform with administrative practice and because of the unnecessary burden upon domestic commerce had the provisions of this section been enforced against coastwise, fishing, and pleasure vessels.

Minor changes of phraseology were made.
