

with respect to each international standard-setting organization shall publish notice in the Federal Register of the information specified in subsection (c) of this section with respect to that organization. The notice shall cover the period ending on June 1 of the year in which the notice is published, and beginning on the date of the preceding notice under this subsection, except that the first such notice shall cover the 1-year period ending on the date of the notice.

(c) Required information

The information to be provided in the notice under subsection (b) of this section is—

(1) the sanitary or phytosanitary standards under consideration or planned for consideration by that organization;

(2) for each sanitary or phytosanitary standard specified in paragraph (1)—

(A) a description of the consideration or planned consideration of the standard;

(B) whether the United States is participating or plans to participate in the consideration of the standard;

(C) the agenda for the United States participation, if any; and

(D) the agency responsible for representing the United States with respect to the standard.

(d) Public comment

The agency specified in subsection (c)(2)(D) of this section shall provide an opportunity for public comment with respect to the standards for which the agency is responsible and shall take the comments into account in participating in the consideration of the standards and in proposing matters to be considered by the organization.

EFFECTIVE DATE

Part effective on the date of entry into force of the WTO Agreement with respect to the United States [Jan. 1, 1995], except as otherwise provided, see section 451 of Pub. L. 103-465, set out as a note under section 3601 of this title.

DESIGNATION OF AGENCY

Secretary of Agriculture designated under this section as official responsible for informing public of sanitary and phytosanitary standard-setting activities of each international standard-setting organization, see par. (4) of Proc. No. 6780, Mar. 23, 1995, 60 F.R. 15847, set out as a note under section 3511 of this title.

§ 2578a. Equivalence determinations

(a) In general

An agency may not determine that a sanitary or phytosanitary measure of a foreign country is equivalent to a sanitary or phytosanitary measure established under the authority of Federal law unless the agency determines that the sanitary or phytosanitary measure of the foreign country provides at least the same level of sanitary or phytosanitary protection as the comparable sanitary or phytosanitary measure established under the authority of Federal law.

(b) FDA determination

If the Commissioner proposes to issue a determination of the equivalency of a sanitary or

phytosanitary measure of a foreign country to a measure that is required to be promulgated as a rule under the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.) or other statute administered by the Food and Drug Administration, the Commissioner shall issue a proposed regulation to incorporate such determination and shall include in the notice of proposed rule-making the basis for the determination that the sanitary or phytosanitary measure of a foreign country provides at least the same level of sanitary or phytosanitary protection as the comparable Federal sanitary or phytosanitary measure. The Commissioner shall provide opportunity for interested persons to comment on the proposed regulation. The Commissioner shall not issue a final regulation based on the proposal without taking into account the comments received.

(c) Notice

If the Commissioner proposes to issue a determination of the equivalency of a sanitary or phytosanitary measure of a foreign country to a sanitary or phytosanitary measure of the Food and Drug Administration that is not required to be promulgated as a rule under the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.] or other statute administered by the Food and Drug Administration, the Commissioner shall publish a notice in the Federal Register that identifies the basis for the determination that the measure provides at least the same level of sanitary or phytosanitary protection as the comparable Federal sanitary or phytosanitary measure. The Commissioner shall provide opportunity for interested persons to comment on the notice. The Commissioner shall not issue a final determination on the issue of equivalency without taking into account the comments received.

§ 2578b. Definitions

(a) In general

As used in this part:

(1) Agency

The term “agency” means a Federal department or agency (or combination of Federal departments or agencies).

(2) Commissioner

The term “Commissioner” means the Commissioner of Food and Drugs.

(3) International standard-setting organization

The term “international standard-setting organization” means an organization consist-

ing of representatives of 2 or more countries, the purpose of which is to negotiate, develop, promulgate, or amend an international standard.

(4) Sanitary or phytosanitary standard

The term “sanitary or phytosanitary standard” means a standard intended to form a basis for a sanitary or phytosanitary measure.

(5) International standard

The term “international standard” means a standard, guideline, or recommendation—

(A) regarding food safety, adopted by the Codex Alimentarius Commission, including a standard, guideline, or recommendation regarding decomposition elaborated by the Codex Committee on Fish and Fishery Products, food additives, contaminants, hygienic practice, and methods of analysis and sampling;

(B) regarding animal health and zoonoses, developed under the auspices of the International Office of Epizootics;

(C) regarding plant health, developed under the auspices of the Secretariat of the International Plant Protection Convention in cooperation with the North American Plant Protection Organization; or

(D) established by or developed under any other international organization agreed to by the NAFTA countries (as defined in section 3301(4) of this title) or by the WTO members (as defined in section 3501(10) of this title).

(b) Other definitions

The definitions set forth in section 2575b of this title apply for purposes of this part except that in applying paragraph (7) of section 2575b of this title with respect to a sanitary or phytosanitary measure of a foreign country, any reference in such paragraph to the United States shall be deemed to be a reference to that foreign country.

SUBCHAPTER III—MISCELLANEOUS PROVISIONS

§ 2581. Auction of import licenses

(a) In general

Notwithstanding any other provision of law, the President may sell import licenses at public auction under such terms and conditions as he deems appropriate. Regulations prescribed under this subsection shall, to the extent practicable and consistent with efficient and fair administration, insure against inequitable sharing of imports by a relatively small number of the larger importers.

(b) “Import license” defined

For purposes of this section, the term “import license” means any documentation used to administer a quantitative restriction imposed or modified after July 26, 1979 under—

(1) section 125, 203, 301, or 406 of the Trade Act of 1974 (19 U.S.C. 2135, 2253, 2411, or 2436),

(2) the International Emergency Economic Powers Act (50 U.S.C. 1701-1706),

(3) authority under the notes of the Harmonized Tariff Schedule of the United States, but not including any quantitative restriction imposed under section 22 of the Agricultural Adjustment Act of 1934 (7 U.S.C. 624),

(4) the Trading With the Enemy Act (50 U.S.C. App. 1-44),

(5) section 204 of the Agricultural Act of 1956 (7 U.S.C. 1854) other than for meat or meat products, or

(6) any Act enacted explicitly for the purpose of implementing an international agreement to which the United States is a party, including such agreements relating to commodities, but not including any agreement relating to cheese or dairy products.
