NORTH AMERICAN FREE TRADE AGREEMENT: ENTRY
INTO FORCE

The North American Free Trade Agreement entered into force on Jan. 1, 1994, see note set out under section 3311 of this title.

PART D—STANDARDS

SUBPART 1—STANDARDS AND MEASURES

§ 3411. Transportation

No regulation issued by the Secretary of Transportation implementing a recommendation of the Land Transportation Standards Subcommittee established under article 913(5)(a)(i) of the Agreement may take effect before the date 90 days after the date of issuance.

(Pub. L. 103-182, title III, § 352, Dec. 8, 1993, 107 Stat. 2122.)

SUBPART 2—AGRICULTURAL STANDARDS

§ 3421. Agricultural standards

(a) to (f) Omitted

(g) Peanut butter and peanut paste

(1) In general

Except as provided in paragraph (2), all peanut butter and peanut paste in the United States domestic market shall be processed from peanuts that meet the quality standards established for peanuts under Marketing Agreement No. 146.

(2) Imports

Peanut butter and peanut paste imported into the United States shall comply with paragraph (1) or with sanitary measures that achieve at least the same level of sanitary protection.

(h) Animal health biocontainment facility

(1) Grant for construction

The Secretary of Agriculture shall make a grant to a land grant college or university described in paragraph (2) for the construction of a facility at the college or university for the conduct of research in animal health, disease-transmitting insects, and toxic chemicals that requires the use of biocontainment facilities and equipment. The facility to be constructed with the grant shall be known as the “Southwest Regional Animal Health Biocontainment Facility”.

(2) Grant recipient described

To be eligible for the grant under paragraph (1), a land grant college or university must be—

(A) located in a State adjacent to the international border with Mexico; and

(B) determined by the Secretary of Agriculture to have an established program in animal health research and education and to have a collaborative relationship with one or more colleges of veterinary medicine or universities located in Mexico.

(3) Activities of the facility

The facility constructed using the grant made under paragraph (1) shall be used for conducting the following activities:

(A) The biocontainment facility shall offer the ability to organize multidisciplinary international teams working on basic and applied research on diagnostic method development and disease control strategies, including development of vaccines.

(B) The biocontainment facility shall support research that will improve the scientific basis for regulatory activities, decreasing the need for new regulatory programs and enhancing international trade.

(C) The biocontainment facility shall allow academic institutions, governmental agencies, and the private sector to conduct research in basic and applied research biology, epidemiology, pathogenesis, host response, and diagnostic methods, on disease agents that threaten the livestock industries of the United States and Mexico.

(D) The biocontainment facility may be used to support research involving food safety, toxicology, environmental pollutants, radioisotopes, recombinant microorganisms, and selected naturally resistant or transgenic animals.

(4) Authorization of appropriations

There are authorized to be appropriated for each fiscal year such sums as are necessary to carry out this subsection.

(i) Reports on inspection of imported meat, poultry, other foods, animals, and plants

(1) Definitions

As used in this subsection:

(A) Imports

The term “imports” means any meat, poultry, other food, animal, or plant that is imported into the United States in commercially significant quantities.

(B) Secretary

The term “Secretary” means the Secretary of Agriculture.

(2) In general

In consultation with representatives of other appropriate agencies, the Secretary shall prepare an annual report on the impact of the Agreement on the inspection of imports.

(3) Contents of reports

The report required under this subsection shall, to the maximum extent practicable, include a description of—

(A) the quantity or, with respect to the Customs Service, the number of shipments, of imports from a NAFTA country that are inspected at the borders of the United States with Canada and Mexico during the prior year;

(B) any change in the level or types of inspections of imports in each NAFTA country during the prior year;

(C) in any case in which the Secretary has determined that the inspection system of another NAFTA country is equivalent to the
