§ 1671e. Assessment of duty

(a) Publication of countervailing duty order

Within 7 days after being notified by the Commission of an affirmative determination under section 1671d(b) of this title, the administering authority shall publish a countervailing duty order which—

(1) directs customs officers to assess a countervailing duty equal to the amount of the net countervailable subsidy determined or estimated to exist, within 6 months after the date on which the administering authority receives satisfactory information upon which the assessment may be based, but in no event later than 12 months after the end of the annual accounting period of the manufacturer or exporter within which the merchandise is entered, or withdrawn from warehouse, for consumption,

(2) includes a description of the subject merchandise, in such detail as the administering authority deems necessary, and

(3) requires the deposit of estimated countervailing duties pending liquidation of entries of merchandise at the same time as estimated normal customs duties on that merchandise are deposited.

(b) Imposition of duties

(1) General rule

If the Commission, in its final determination under section 1671d(b) of this title, finds material injury or threat of material injury which, but for the suspension of liquidation under section 1671b(d)(2) of this title, would have led to a finding of material injury, then entries of the merchandise subject to the countervailing duty order, the liquidation of which has been suspended under section 1671b(d)(2) of this title, shall be subject to the imposition of countervailing duties under section 1671(a) of this title.

countervailing duties under section 1671(a) of this title, and the administering authority shall release any bond or other security, and refund any cash deposit made, to secure the payment of countervailing duties with respect to entries of the merchandise entered, or withdrawn from warehouse, for consumption before that date.

(c) Special rule for regional industries

(1) In general

In an investigation under this part in which the Commission makes a regional industry determination under section 1677(4)(C) of this title, the administering authority shall, to the maximum extent possible, direct that duties be assessed only on the subject merchandise of the specific exporters or producers that exported the subject merchandise for sale in the region concerned during the period of investigation.

(2) Exception for new exporters and producers

After publication of the countervailing duty order, if the administering authority finds that a new exporter or producer is exporting the subject merchandise for sale in the region concerned, the administering authority shall direct that duties be assessed on the subject merchandise of the new exporter or producer consistent with the provisions of section 1675(a)(2)(B) of this title.
