1132, 1148; Pub. L. 102–119, §25(b), Oct. 7, 1991, 105 Stat. 607, related to grants to State educational agencies and institutions for traineeships, prior to the general amendment of subchapters I to IV of this chapter by Pub. L. 105–17.

§ 1433. General authority

The Secretary shall, in accordance with this subchapter, make grants to States (from their allotments under section 1443 of this title) to assist each State to maintain and implement a statewide, comprehensive, coordinated, multidisciplinary, interagency system to provide early intervention services for infants and toddlers with disabilities and their families.

(Pub. L. 91–230, title VI, §633, as added Pub. L. 108–446, title I, §101, Dec. 3, 2004, 118 Stat. 2746.)

§ 1434. Eligibility

In order to be eligible for a grant under section 1433 of this title, a State shall provide assurances to the Secretary that the State—

(1) has adopted a policy that appropriate early intervention services are available to all infants and toddlers with disabilities in the State and their families, including Indian infants and toddlers with disabilities and their families residing on a reservation geographically located in the State, infants and toddlers with disabilities who are homeless children and their families, and infants and toddlers with disabilities who are wards of the State; and

(2) has in effect a statewide system that meets the requirements of section 1435 of this title.

(Pub. L. 91–230, title VI, §634, as added Pub. L. 108–446, title I, §101, Dec. 3, 2004, 118 Stat. 2746.)

§ 1435. Requirements for statewide system

(a) In general

A statewide system described in section 1433 of this title shall include, at a minimum, the following components:

(1) A rigorous definition of the term ''developmental delay'' that will be used by the State in carrying out programs under this subchapter in order to appropriately identify infants and toddlers with disabilities that are in need of services under this subchapter.

(2) A State policy that is in effect and that ensures that appropriate early intervention services based on scientifically based research, to the extent practicable, are available to all infants and toddlers with disabilities and their families, including Indian infants and toddlers with disabilities and their families residing on a reservation geographically located in the State and infants and toddlers with disabilities who are homeless children and their families.

(3) A timely, comprehensive, multidisciplinary evaluation of the functioning of each infant or toddler with a disability in the State, and a family-directed identification of the needs of each family of such an infant or toddler, to assist appropriately in the development of the infant or toddler.

(4) For each infant or toddler with a disability in the State, an individualized family service plan in accordance with section 1436 of this title, including service coordination services in accordance with such service plan.

(5) A comprehensive child find system, consistent with subchapter II, including a system for making referrals to service providers that includes timelines and provides for participation by primary referral sources and that ensures rigorous standards for appropriately identifying infants and toddlers with disabilities for services under this subchapter that will reduce the need for future services.

(6) A public awareness program focusing on early identification of infants and toddlers with disabilities, including the preparation and dissemination by the lead agency designated or established under paragraph (10) to all primary referral sources, especially hospitals and physicians, of information to be given to parents, especially to inform parents with premature infants, or infants with other physical risk factors associated with learning or developmental complications, on the availability of early intervention services under this subchapter and of services under section 1419 of this title, and procedures for assisting such sources in disseminating such information to parents of infants and toddlers with disabilities.

(7) A central directory that includes information on early intervention services, resources, and experts available in the State and research and demonstration projects being conducted in the State.

(8) A comprehensive system of personnel development, including the training of paraprofessionals and the training of primary referral sources with respect to the basic components of early intervention services available in the State that—
