No officer, agent, or employee of the Department of Education, the Department of Justice, or any other Federal agency shall, by rule, regulation, order, guideline, or otherwise (1) urge, persuade, induce, or require any local education agency, or any private nonprofit agency, institution, or organization to use any funds derived from any State or local sources for any purpose, unless constitutionally required, for which Federal funds appropriated to carry out any applicable program may not be used, as provided in this section, or (2) condition the receipt of Federal funds under any Federal program upon any action by any State or local public officer or employee which would be prohibited by clause (1) on the part of a Federal officer or employee. No officer, agent, or employee of the Department of Education or any other Federal agency shall urge, persuade, induce, or require any local education agency to undertake transportation of any student where the time or distance of travel is so great as to risk the health of the child or significantly impinge on his or her educational process; or where the educational opportunities available at the school to which it is proposed that such student be transported will be substantially inferior to those offered at the school to which such student would otherwise be assigned under a nondiscriminatory system of school assignments based on geographic zones established without discrimination on account of race, religion, color, or national origin.
