

Secretary of Education by December 31, 1978, a report on any planning undertaken pursuant to this subchapter. Such report shall be in such form as the State may desire, and may include planning proposals for—

(1) extending career education and career development programs and services to all individuals in the State;

(2) extending the concept of the education process beyond the school into the area of employment and community affairs, and relating the subject matter curriculums of schools to the needs of individuals to function in society;

(3) the implementation of new concepts in career education and career development and for the replication of concepts which have demonstrated success;

(4) the development of training programs, including inservice training programs, for teachers, counselors, other educators, and administrators;

(5) fostering cooperative arrangements with such community groups and agencies as the public employment services, vocational rehabilitation service, community mental health agencies, education opportunity centers, and other community resources concerned with vocational development guidance and counseling, in order to avoid unnecessary duplication in the provision of services in the community or area to be served; and

(6) inventories of State, local, and private resources available for the development of career education and career development programs and services.

TERMINATION OF ADVISORY COUNCILS

Advisory councils established after Jan. 5, 1973, to terminate not later than the expiration of the 2-year

period beginning on the date of their establishment, unless, in the case of a council established by the President or an officer of the Federal Government, such council is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a council established by the Congress, its duration is otherwise provided for by law. See sections 3(2) and 14 of Pub. L. 92-463, Oct. 6, 1972, 86 Stat. 770, 776, set out in the Appendix to Title 5, Government Organization and Employees.

SUBCHAPTER II—GUIDANCE AND COUNSELING ACTIVITIES AND PROGRAMS

§ 2531. Congressional findings

The Congress finds that—

(1) guidance and counseling activities are an essential component to assure success in achieving the goals of many education programs:¹

(2) lack of coordination among guidance and counseling activities supported jointly or separately by Federal programs and by State and local programs has resulted in an underutilization of resources available for such activities; and

(3) increased and improved preparation of education professionals is needed in guidance and counseling, including administration of guidance and counseling programs at the State and local levels, with special emphasis on inservice training which takes educational professionals into the workplaces of business and industry, the professions, and other occupational pursuits, and that increased and improved use of individuals employed in such pursuits are needed for effective guidance and counseling programs, including (A) bringing persons employed in such pursuits into schools, and (B) bringing students into such workplaces for observation of, and participation in, such pursuits, in order to acquaint the students with the nature of the work.

§ 2532. Authorization of appropriations

(a) Fiscal years 1978 through 1983

There are authorized to be appropriated \$20,000,000 for each of the fiscal years 1978 through 1983, to carry out the provisions of this subchapter.

(b) Limitations; allotments to States, etc.; reallocations

(1) There are authorized to be appropriated \$3,000,000 for fiscal year 1977, for purposes of grants to States made by the Secretary of Education for programs, projects, and leadership activities designed to expand and strengthen counseling and guidance services in elementary and secondary schools.

(2) No sums are authorized to be appropriated under section 401(a)¹ of the Elementary and Secondary Education Act of 1965 for fiscal year 1977, for the purpose of making grants under part B (Libraries and Learning Resources) of title IV of such Act, for such fiscal year which represent

the amount authorized to be appropriated under paragraph (1) of this subsection.

(3)(A) The Secretary of Education shall allot the amounts appropriated under this subsection among Guam, American Samoa, the Virgin Islands, and the Trust Territory of the Pacific Islands according to their respective needs for assistance under this subsection. In addition, he shall allot from such amounts to (i) the Secretary of the Interior the amounts necessary for the programs, projects, and activities authorized by this subsection for children and teachers in elementary and secondary schools operated for Indian children by the Department of the Interior; and (ii) the Secretary of Defense the amounts necessary for the programs, projects, and activities authorized by this subsection for children and teachers in the overseas dependents schools of the Department of Defense. The terms upon which payment for such purposes shall be made to the Secretary of the Interior and the Secretary of Defense shall be determined pursuant to such criteria as the Secretary of Education determines will best carry out the purposes of this subsection.

(B) From the amounts appropriated to carry out this subsection, the Secretary of Education shall allot to each State from such amounts an amount which bears the same ratio to such amounts as the number of children aged five to seventeen, inclusive, in the State bears to the number of such children in all the States. For the purposes of this subparagraph, the term "State" shall not include Guam, American Samoa, the Virgin Islands, and the Trust Territory of the Pacific Islands. The number of children aged five to seventeen, inclusive, in a State and in all the States shall be determined by the Secretary of Education on the basis of the most recent satisfactory data available to him.

(C) The amount of any State's allotment under subparagraph (A) or subparagraph (B) to carry out this subsection which the Secretary of Education determines will not be required to carry out this subsection shall be available for reallocation from time to time, on such dates as the Secretary of Education may fix, to other States in proportion to the original allotments to such States under subparagraph (A) or subparagraph (B) but with such proportionate amount for any of such other States being reduced to the extent it exceeds the sum the Secretary of Education estimates such State needs and will be able to use. The total of such reductions shall be similarly reallocated among the States whose proportionate amounts were not so reduced. Any amounts reallocated to a State under this subparagraph from funds appropriated under this subsection shall be deemed a part of its allotment under subparagraph (A) or subparagraph (B).
