

(1) plan to use the funds in schools identified as being in need of improvement or corrective action under section 6316(c) of this title; and

(2) demonstrate a commitment to assist schools with budget allocation, professional development, and other strategies necessary to ensure the comprehensive school reforms are properly implemented and are sustained in the future.

(d) Grant consideration

In awarding subgrants under this part, the State educational agency shall take into consideration the equitable distribution of subgrants to different geographic regions within the State, including urban and rural areas, and to schools serving elementary and secondary students.

(e) Administrative costs

A State educational agency that receives a grant under this part may reserve not more than 5 percent of the grant funds for administrative, evaluation, and technical assistance expenses.

(f) Supplement

Funds made available under this part shall be used to supplement, and not supplant, any other Federal, State, or local funds that would otherwise be available to carry out the activities assisted under this part.

(g) Reporting

Each State educational agency that receives a grant under this part shall provide to the Secretary such information as the Secretary may require, including the names of local educational agencies and schools receiving assistance under this part, the amount of the assistance, a description of the comprehensive school reforms selected and used, and a copy of the State's annual evaluation of the implementation of comprehensive school reforms supported under this part and the student achievement results.

PRIOR PROVISIONS

A prior section 6514, Pub. L. 89-10, title I, §1604, as added Pub. L. 103-382, title I, §101, Oct. 20, 1994, 108 Stat. 3612, related to construction of provisions, prior to the general amendment of this subchapter by Pub. L. 107-110. See section 6576 of this title.

§ 6515. Local applications

(a) In general

Each local educational agency or consortium of local educational agencies desiring a subgrant under this part shall submit an application to the State educational agency at such time, in such manner, and containing such information as the State educational agency may reasonably require.

(b) Contents

Each such application shall—

(1) identify the schools that are eligible for assistance under part A of this subchapter and plan to implement a comprehensive school reform program, including the projected costs of such a program;

(2) describe the comprehensive school reforms based on scientifically based research

and effective practices that such schools will implement;

(3) describe how the local educational agency or consortium will provide technical assistance and support for the effective implementation of the comprehensive school reforms based on scientifically based research and effective practices selected by such schools; and

(4) describe how the local educational agency or consortium will evaluate the implementation of such comprehensive school reforms and measure the results achieved in improving student academic achievement.

(Pub. L. 89-10, title I, §1605, as added Pub. L. 107-110, title I, §101, Jan. 8, 2002, 115 Stat. 1604.)

§ 6516. Local use of funds

(a) Uses of funds

A local educational agency or consortium that receives a subgrant under this part shall provide the subgrant funds to schools that are eligible for assistance under part A of this subchapter and served by the agency, to enable the schools to implement a comprehensive school reform program that—

(1) employs proven strategies and proven methods for student learning, teaching, and school management that are based on scientifically based research and effective practices and have been replicated successfully in schools;

(2) integrates a comprehensive design for effective school functioning, including instruction, assessment, classroom management, professional development, parental involvement, and school management, that aligns the school's curriculum, technology, and professional development into a comprehensive school reform plan for schoolwide change designed to enable all students to meet challenging State content and student academic achievement standards and addresses needs identified through a school needs assessment;

(3) provides high quality and continuous teacher and staff professional development;

(4) includes measurable goals for student academic achievement and benchmarks for meeting such goals;

(5) is supported by teachers, principals, administrators, school personnel staff, and other professional staff;

(6) provides support for teachers, principals, administrators, and other school staff;

(7) provides for the meaningful involvement of parents and the local community in planning, implementing, and evaluating school improvement activities consistent with section 6318 of this title;

(8) uses high quality external technical support and assistance from an entity that has experience and expertise in schoolwide reform and improvement, which may include an institution of higher education;

(9) includes a plan for the annual evaluation of the implementation of school reforms and the student results achieved;

(10) identifies other resources, including Federal, State, local, and private resources, that shall be used to coordinate services that will support and sustain the comprehensive school reform effort; and
