(a) Findings

Congress finds the following:

(3) The Secretary of the Treasury has also identified an array of entities in the insurance, petroleum, and petrochemicals industries that the Secretary has determined to be owned or controlled by the Government of Iran and added those entities to the list contained in Appendix A to part 560 of title 31, Code of Federal Regulations (commonly known as the “Iranian Transactions Regulations”), thereby prohibiting transactions between United States persons and those entities.

There are authorized to be appropriated to the Secretary of the Treasury for the Office of Terrorism and Financial Intelligence—

(1) \$102,613,000 for fiscal year 2011; and
