(A) the transfers, waivers, releases, relinquishments and other commitments made by the tribe in the Settlement Agreement with the State and the district, including the compact provided for in the Settlement Agreement, shall be in full force and effect on the terms and conditions stated in such settlement, and

(B) the transfers, waivers, releases, relinquishments and other commitments validated by subparagraph (A) and the transfers and extinguishments approved and validated by paragraphs (1) and (2) of subsection (b) of this section shall be deemed to have been made in accordance with the Constitution and all laws of the United States that are specifically applicable to transfers of lands or natural resources from, by, or on behalf of any Indian, Indian nation, or tribe of Indians including but not limited to the Trade and Intercourse Act of 1790, Act of July 22, 1790 (25 U.S.C. 177, ch. 33, sec. 4, 1 Stat. 137).

(b) Extinguishment of claims based on aboriginal title

(1)(A) Subject to subparagraph (B), all claims to lands within the State based upon aboriginal title by the tribe or any predecessor or successor in interest, are hereby extinguished. Any transfer of lands or natural resources located anywhere within the State, including transfers pursuant to a statute or treaty with any State or the United States, by, from, or on behalf of the tribe or any predecessor or successor in interest, shall be deemed to be in full force and effect, as provided in subsection (a)(2) of this section.

(B) Nothing in this paragraph shall be construed as extinguishing any aboriginal right, title, interest, or claim to lands or natural resources solely to the extent of the rights or interests defined as “excepted interests” in paragraph 4a of the Settlement Agreement between the tribe, State and the district.

(2)(A) By virtue of the approval of a transfer of lands or natural resources effected by this section, or an extinguishment of aboriginal title effected thereby, all claims against the United States, the State or subdivision thereof, or any other person or entity, by the tribe or any predecessor or successor in interest, arising subsequent to the transfer and based upon any interest in or right involving such lands or natural resources, including claims for trespass damages or claims for use and occupancy, shall be extinguished as of the date of the transfer.

(B) The United States shall not be liable directly or indirectly for any claim or cause of ac-

(4) Any Indian, Indian nation, or tribe of Indians, other than the Seminole Tribe as defined in section 1772a(1) of this title, or any predecessor or successor in interest, or any member thereof, whose transfer of lands or natural resources is approved or whose aboriginal title or claims is extinguished by paragraph (1) or (2) of this subsection may, within a period of one year after publication of the Secretary’s finding pursuant to subsection (a) of this section, bring an action against the State and the United States in the United States District Court for the southern district of Florida. Such action shall be in lieu of a suit against any other person, agency, or political subdivision on a cause of action which may have existed in the absence of this subsection.

§ 1772d. Special provisions for Seminole Tribe

(a) Acceptance of land by Secretary in trust for Seminole Tribe

Notwithstanding any clouds on title, the Secretary is authorized and directed, as soon as practicable after December 31, 1987, to accept the transfer to the United States, to be held in trust and as a reservation for the use and benefit of the Seminole Tribe of Florida, the approximate 15 sections of land being described as follows:

Beginning at the southwest corner of section 31, township 48 south, Range 35 east; thence easterly along the south border of sections 31, 32 and 33, township 48 south, Range 35 east, to the westernmost boundary of the levee 28 works in section 33, township 48 south, Range 35 east; thence continuing north along the westernmost boundary of the levee 28 works to the point at which the westernmost boundary

of the levee 28 works intersects the southernmost boundary of the levee 4 works in section 9, township 48 south, Range 35 east; thence continuing westerly along the southernmost boundary of the levee 4 works to the point at which the southernmost boundary of the levee 4 works intersects the dividing line between township 48 south, Range 35 east and township 48 south, Range 34 east at the Broward County and Hendry County line; and thence continuing south along said line to the point of beginning; said lands situate, lying and being in Broward County, Florida.

(b) Survey of Seminole Federal Reservations in Florida

Before the expiration of the 3-year period beginning on December 31, 1987, the Secretary shall—

(1) conduct a cadastral survey of those portions of the Seminole Federal Reservations in Florida not previously surveyed by the Department of the Interior, including all lands taken into trust as reservations under the authority of this subchapter;

(2) publish the correct legal descriptions of the Seminole Reservations in the Federal Register within 180 days after the survey is completed.

(c) Acceptance of land in future by Secretary in trust for Seminole Tribe

If, pursuant to paragraph 6 of the Settlement Agreement, there is a subsequent agreement between the tribe, the State, and the district providing that lands exchanged with the tribe or acquired by the tribe may be taken into Federal trust as a reservation for the tribe, the Secretary shall accept the transfer of such lands to the United States, to be held in trust for the use and benefit of the tribe pursuant to the terms and conditions of the subsequent agreement unless—

(1) the total amount of land previously taken in trust under this subsection exceeds the amount of land transferred to the State and Water District by the tribe under the Settlement Agreement;

(2) the Secretary determines in writing that either the size, location, or condition of the land, or the terms and conditions under which it is transferred would place an unreasonable burden on the United States as trustee;

(3) the land is not in Florida; or

(4) the land is not agricultural in nature.

(d) Civil and criminal jurisdiction over lands acquired by United States in trust for Seminole Tribe

(1) Notwithstanding the acquisition of any land under subsection (a) or (c) of this section by the United States in trust for the tribe, the assumption of jurisdiction in favor of the State contained in section 285.16, Florida Statutes, pursuant to section 7 of the Act of August 15, 1953,¹ (67 Stat. 588; Public Law 280), shall continue in full force and effect on such lands unless the United States accepts a retrocession by the State of such civil or criminal jurisdiction in whole or in part under section 1323 of this

title. The laws of Florida relating to alcoholic beverages, gambling, sale of cigarettes, and their successor laws, shall have the same force and effect within said transferred lands as they have elsewhere within the State. The State, with respect to the transferred lands, shall also have jurisdiction over offenses committed by or against Indians under said laws to the same extent the State has jurisdiction over said offenses committed elsewhere within the State.

(2) Nothing in this subsection shall be construed as permitting the exercise of the above jurisdiction by the State regarding matters to which section 1162(b) of title 18 and section 1360(b) of title 28 apply.

(3) The scope of tribal sovereignty over transferred lands, with the specific exceptions of law relating to cigarettes, gambling and alcohol described in this subsection, shall be as required by applicable law with regard to existing tribal lands held in reservation or Federal trust status. Such transfer shall not confer upon the tribe, or upon the lands within the reservation, any additional water rights. Tribal water rights shall be deemed to be defined in the compact.
