

(7) On August 20, 1992, the Federal District Court for the Southern District of California entered a judgment in the U.S. Suit requiring the Coachella Valley Water District to pay \$212,908.41 in past and future damages and the Imperial Irrigation District to pay \$2,795,694.33 in past and future damages in lieu of the United States request for a permanent injunction against continued flooding of the submerged lands.

(8) The United States, the Coachella Valley Water District, and the Imperial Irrigation District have filed notices of appeal with the United States Court of Appeals for the Ninth Circuit from the district court's judgment in the U.S. Suit (Nos. 93-55389, 93-55398, and 93-55402), and the Tribe has filed a notice of appeal from the district court's denial of its motion to intervene as a matter of right (No. 92-55129).

(9) The Court of Appeals for the Ninth Circuit has stayed further action on the appeals pending the outcome of settlement negotiations.

(10) In 1991, the Tribe brought its own lawsuit, *Torres-Martinez Desert Cahuilla Indians, et al., v. Imperial Irrigation District, et al.*, Case No. 91-1670 J (LSP) (hereafter in this section referred to as the "Indian Suit") in the United States District Court, Southern District of California, against the two water districts, and amended the complaint to include as a plaintiff, Mary Resvaloso, in her own right, and as class representative of all other affected Indian allotment owners.

(11) The Indian Suit has been stayed by the district court to facilitate settlement negotiations.

(b) Purpose

The purpose of this subchapter is to facilitate and implement the settlement agreement negotiated and executed by the parties to the U.S. Suit and Indian Suit for the purpose of resolving their conflicting claims to their mutual satisfaction and in the public interest.
