§ 3904. Authority of Director of Indian Health Service

(a) Reservation inventory

(1) Upon request by an Indian tribal government or Alaska Native entity, the Director shall—

(A) conduct an inventory and evaluation of the contents of open dumps on the Indian lands or Alaska Native lands which are subject to the authority of the Indian tribal government or Alaska Native entity;

(B) determine the relative severity of the threat to public health and the environment posed by each dump based on information available to the Director and the Indian tribal government or Alaska Native entity unless the Director, in consultation with the Indian tribal government or Alaska Native entity, determines that additional actions such as soil testing or water monitoring would be appropriate in the circumstances; and

(C) develop cost estimates for the closure and postclosure maintenance of such dumps.

(2) The inventory and evaluation authorized under paragraph (1)(A) shall be carried out cooperatively with the Administrator of the Environmental Protection Agency. The Director shall obtain the concurrence of the Administrator in the determination of relative severity made under paragraph (1)(B).

(b) Assistance

Upon completion of the activities required to be performed pursuant to subsection (a) of this section, the Director shall, subject to subsection (c) of this section, provide financial and technical assistance to the Indian tribal government or Alaska Native entity to carry out the activities necessary to—

(1) close such dumps; and

(2) provide for postclosure maintenance of such dumps.

(c) Conditions

All assistance provided pursuant to subsection (b) of this section shall be made available on a site-specific basis in accordance with priorities developed by the Director. Priorities on specific Indian lands or Alaska Native lands shall be developed in consultation with the Indian tribal government or Alaska Native entity. The priorities shall take into account the relative severity of the threat to public health and the environment posed by each open dump and the availability of funds necessary for closure and postclosure maintenance.

(Pub. L. 103-399, § 5, Oct. 22, 1994, 108 Stat. 4166.)

§ 3905. Contract authority

(a) Authority of Director

To the maximum extent feasible, the Director shall carry out duties under this chapter through contracts, compacts, or memoranda of agreement with Indian tribal governments or Alaska Native entities pursuant to the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 et seq.), section 2004a of title 42, or section 1632 of this title.

(b) Cooperative agreements

The Director is authorized, for purposes of carrying out the duties of the Director under this chapter, to contract with or enter into such cooperative agreements with such other Federal agencies as is considered necessary to provide cost-sharing for closure and postclosure activities, to obtain necessary technical and financial assistance and expertise, and for such other purposes as the Director considers necessary.

§ 3906. Tribal demonstration project

(a) In general

The Director may establish and carry out a program providing for demonstration projects involving open dumps on Indian land or Alaska Native land. It shall be the purpose of such projects to determine if there are unique cost factors involved in the cleanup and maintenance of open dumps on such land, and the extent to which advanced closure planning is necessary. Under the program, the Director is authorized to select no less than three Indian tribal governments or Alaska Native entities to participate in such demonstration projects.

(b) Criteria

Criteria established by the Director for the selection and participation of an Indian tribal government or Alaska Native entity in the demonstration project shall provide that in order to be eligible to participate, an Indian tribal government or Alaska Native entity must—

(1) have one or more existing open dumps on Indian lands or Alaska Native lands which are under its authority;

(2) have developed a comprehensive solid waste management plan for such lands; and

(3) have developed a closure and postclosure maintenance plan for each dump located on such lands.

(c) Duration of funding for project

No demonstration project shall be funded for more than three fiscal years.
