

cation. In the event the Federal share for all States under either such subsection is not the same, the differences among the States shall be established on the basis of objective criteria.

(g) Administration and enforcement of programs contained in approved State plans; Federal share

The Secretary is authorized to make grants to the States to assist them in administering and enforcing programs for occupational safety and health contained in State plans approved by the Secretary pursuant to section 667 of this title. The Federal share for each State grant under this subsection may not exceed 50 per centum of the total cost to the State of such a program. The last sentence of subsection (f) of this section shall be applicable in determining the Federal share under this subsection.

(h) Report to President and Congress

Prior to June 30, 1973, the Secretary shall, after consultation with the Secretary of Health and Human Services, transmit a report to the President and to the Congress, describing the experience under the grant programs authorized by this section and making any recommendations he may deem appropriate.

CHANGE OF NAME

“Secretary of Health and Human Services” substituted for “Secretary of Health, Education, and Welfare” in subsec. (c), pursuant to section 509(b) of Pub. L. 96-88 which is classified to section 3508(b) of Title 20, Education.

§ 673. Statistics

(a) Development and maintenance of program of collection, compilation, and analysis; employments subject to coverage; scope

In order to further the purposes of this chapter, the Secretary, in consultation with the Secretary of Health and Human Services, shall develop and maintain an effective program of collection, compilation, and analysis of occupational safety and health statistics. Such program may cover all employments whether or not subject to any other provisions of this chapter but shall not cover employments excluded by section 653 of this title. The Secretary shall compile accurate statistics on work injuries and illnesses which shall include all disabling, serious, or significant injuries and illnesses, whether or not involving loss of time from work, other than minor injuries requiring only first aid treatment and which do not involve medical treatment, loss of consciousness, restriction of work or motion, or transfer to another job.

(b) Authority of Secretary to promote, encourage, or engage in programs, make grants, and grant or contract for research and investigations

To carry out his duties under subsection (a) of this section, the Secretary may—

(1) promote, encourage, or directly engage in programs of studies, information and communication concerning occupational safety and health statistics;

(2) make grants to States or political subdivisions thereof in order to assist them in developing and administering programs dealing with occupational safety and health statistics; and

(3) arrange, through grants or contracts, for the conduct of such research and investigations as give promise of furthering the objectives of this section.

(c) Federal share for grants

The Federal share for each grant under subsection (b) of this section may be up to 50 per centum of the State's total cost.

(d) Utilization by Secretary of State or local services, facilities, and employees; consent; reimbursement

The Secretary may, with the consent of any State or political subdivision thereof, accept and use the services, facilities, and employees of the agencies of such State or political subdivision, with or without reimbursement, in order to assist him in carrying out his functions under this section.

(e) Reports by employers

On the basis of the records made and kept pursuant to section 657(c) of this title, employers shall file such reports with the Secretary as he shall prescribe by regulation, as necessary to carry out his functions under this chapter.

(f) Superseding of agreements between Department of Labor and States for collection of statistics

Agreements between the Department of Labor and States pertaining to the collection of occupational safety and health statistics already in effect on the effective date of this chapter shall remain in effect until superseded by grants or contracts made under this chapter.
